

Personal Management Merit Badge (2024 Spring Course)

April 13

CREDIT UNIONSM**What?**

This workshop will be presented on the morning of April 13, 2024, and is hosted and sponsored by Meritrust Credit Union. This class will present the scouts with information and guidance pertaining to the Personal Management merit badge, an Eagle-required merit badge. The instructor for this workshop is a financial education specialist with Meritrust. Personal management is about the scout learning the life skills to take control of his or her life by setting and attaining goals, financial and otherwise. Information presented and classroom activities performed will prepare the scout to meet with a Personal Management merit badge counselor and complete several of the merit badge requirements.

***Note:** This workshop will present information concerning requirement numbers 1, 2, 4, 5, 6, and 7 preparing the scout for a productive merit badge counselor session to fulfill those requirements. There will be a limited number of Personal Management merit badge counselors available after the workshop to work individually with the Scouts to facilitate "blue card" sign offs of these requirements, or the Scouts can take their notes and work with a local merit badge counselor.
