## We Need you!

Cub Camp would not be made possible if not for the volunteers who helped organize the week! But we still need help! If every unit could

have one adult to volunteer for an activity we can make camp that much more special for our Scouts!

## **Mandan Visitation Policy**

Any visitations must be made a day in advance to the camp director. Some restrictions apply, such as visitors will not be allowed to attend the last day of camp.

Visitors may not stay overnight at Mandan and are not permitted to take Cub Scouts when departing.

All visitors must check in at the Leadership Lodge and sign in upon entering camp. Any visitor who hasn't signed in may be asked to leave. Visitors will not be permitted to eat meals on property this year.

## **Sunday “Pack To Go Home” and Check-Out Procedure**

A new physical form is required every year, completed within the calendar year of the last day of your camp stay. We suggest that Scouts have their BSA form completed when they have their annual Health Maintenance exam or sports physical.

## **Emergency Procedures**

Units are asked to keep the roster presented at the beginning of camp. This is retained by the leadership in the campsite for times of emergency in order to take a roll call.

Emergency procedures for all common eventualities have been developed. These are reviewed at flags Friday morning. A severe storm weather drill is held in the campsite on Monday night preceding dinner. All units are expected to participate as instructed in the emergency procedures.
