

SURVIVOR

SPRING CAMPOREE

24-26 APRIL 2026

What is it?
Activities?

Camporee allows scouts to participate in one of the oldest traditions in the history of Scouting, an opportunity to match skills against other patrols and troops. There is fun, friendship, competitions and of course the annual Dutch Oven Cook-Off for both youth and adults.

If you do not know how to survive in the wild, you will learn. Scouts will learn about how to survive. They will learn about water, fire shelters, forage for food, a few crafts and medicinal first aid. They will make firestarters, water filter tower, shelters, and possible basket out of weeds.

Bring your old flags. Check with your local VFW or organization. The dutchoven cook off is going to be a Iron Chef-style cooking!
