

WHAT IS CAMP ALASKA? Camp Alaska is a Winter Camporee and Scout skills competition consisting of stations named after Alaskan cities each with its own contest. Camp Alaska is open to Scout BSA Troops, Venturing Crews, Sea Scout Ships, and AoL Dens. **Adults are allowed to be observers only!** Some of the Scout skills that will be tested throughout the day are: First Aid, Communication, Fire Building, Team Work, and, Pioneering.

In addition to a specific task, at each station the patrols (den/crew/ship) will be asked a question based on their general scouting knowledge that if answered correctly earns the patrol points. Additionally, each station will feature a scouting knot that must be identified and its use described. At Camp Alaska we abandon modern technology in favor of skill and ingenuity. Patrols will have to use their wits and skills they have learned through scouting.

1st, 2nd, and 3rd place awards for Scouts BSA and AOL are based on the patrol's gold nugget count. Additional awards are for: Scout Spirit, Dutch Oven Dessert competition (youth), and Dutch Oven Dessert competition (adult)

BSA REQUIREMENTS: Youth and adults must be BSA registered to participate. Two unit leaders (adults) are required to be responsible for all youth accompanying a unit. All leaders are required to be trained in youth protection. In accordance with June 2024 Guide to Safe Scouting changes Webelos dens may not attend. AoLs must participate as a Den with 2 deep leadership or individually with their parent/guardian.

SCOUT SPIRIT: Camp Alaska staff will be looking for and rewarding "Scout Spirit" throughout the day. Scout spirit applies to how a Scout lives and conducts his or her 'daily' life. Scouts shows Scout spirit by being a role model to their peers, being a good leader and living by the Scout Oath and Law. Scout spirit is based on how a scout helps bring out the best in others as a reflection of their own character and attitude in their 'daily' life.

HEADQUARTERS and FIRST AID: Located at the North Pole. This area is manned throughout the day. Also, there is a warming area for your "EMERGENCY" use.

CAMPING: Troops may select their campsites as they arrive at Camp. AoL Dens may camp with their Troop or on their own so long as they operate as a Den and have their own qualified 2-deep leadership. Camping is permitted anywhere in the park except for marked off program areas. One vehicle & trailer per campsite.

MEALS: Meals will be cooked in your troop / patrol campsite. Some patrols choose a Saturday sack lunches to maximize time available for competition. Bring your own cooking gear and food, camp staff will not provide cooking or camping gear to units. Open fires are only allowed in fire rings or other burning vessels that contain the coals and guard against the wind.

PATROLS: Camp Alaska is a Scout patrol-based event. Let the patrol succeed or fail on the strength of its members. Scout leaders may accompany their Scouts only as observers and may not lend assistance or offer advice. Patrol members must work together to navigate the course and complete the events. The ideal patrol size is six (6) to eight (8) scouts. The Patrol Leader should ensure that all members of their Patrol participate and contribute throughout the day.

BE PREPARED: It is the responsibility of each scout and adult scouter to be fully prepared for a wide range of winter weather conditions. Each person attending Camp Alaska **MUST** be prepared for extreme cold, high winds, rain, sleet, snow and just about any other weather you can think of. It is the duty and responsibility of each unit leader to see to it that all participants have received adequate cold weather training and are properly equipped including but not limited to proper clothing, shelter, food, water and first aid. Closed toe shoes must be worn at Camp Alaska; crocs don't offer much protection from Polar Bears ☺

PATCHES: Registered / paid camp participants will receive a Camp Alaska 2026 patch.

VOLUNTEERS: Like Klondike events all over the USA, Camp Alaska is a traditional camporee format. Each unit is asked to provide adults or older scouts who have mastered Camp Alaska to assist with some of the event stations during the competition. Several Units are "sponsoring" a station. All volunteers are very much appreciated.
