DETAILS: Scouting America is the Nation's leading outdoor education and character development program. The mission of Scouting America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

The impact of these values can be seen in the many young people who have come through Scouting and have gone on to become productive members of their communities. The Scouting program continues to help address many of the challenges facing our youth today and is leaving a proud legacy of outstanding citizens.

Please consider associating your company with Scouting America, one of the Nation's most trusted non-profit organization for 115 years. Let our track record of success reflect positively on your organization. Place your corporate logo on the **PUSH** for Scouting Dinner Materials and be seen by a highly targeted demographic. The **PUSH** Dinner enables Scouting America to continue the much-needed youth programs right here in South Louisiana.
