

Jamboree-On-The-Air 2026

Scouts + Amateur Radio + STEM + Adventure!

Join local amateur radio operators for a day of hands-on activities, wireless technology, and communication!
GET ON THE AIR!

Experience amateur radio through hands-on activities!

RADIO BATTLESHIP

Play Battleship against other Scouts using real radios!

FOX HUNT

Use radio direction-finding equipment to track down a hidden transmitter.

SEND PICTURES BY RADIO

See how SSTV can send and receive pictures over the airwaves.

TALK LONG DISTANCE

Learn about HF and NVIS communications and how radio can connect people across Louisiana and beyond.

Hosted by: Acadiana Amateur Radio Association

Date: Saturday October 17th

Time: 10am to 4pm

Location: Longfellow-Evangeline State Historic Site
Free Admission to Scouts & Their Families
