

Camp Turkey Registration – Adding Shirt Size – MANDATORY

When you use the Council-provided roster in BlackPug to auto-fill your Scouts/Leaders information, there is one mandatory field that must be added to continue: T-Shirt Size.

One shirt is provided to everyone as part of your registration cost.

After you use “AutoFill” to enter a name, the “Update Information” box will stay RED until Shirt size is updated.

The screenshot displays the BlackPug registration interface for the 2025 Camp Turkey (Winter Camp). The top navigation bar includes 'Calendar', 'Event Details', and 'Registration Details'. The main content area shows a list of registrants with their details, including name, status, and pricing. A red box highlights the 'Check Out Required' status for several registrants. A sidebar on the right contains a 'Check Out Required' warning and a 'Missing Information' section.
