KV Legos Derby Race 2026

Join us on **November 7, 2026 from 9-4** at Camp Bomazeen to create your own Legos Derby ride. Open to all unit levels and families. Bring a friend!

Fill out either the Google registration form to hold your place. On race day you will build your vehicle Legos creation then race it all in one day. Come with some creative ideas. Bring your own Legos, if you want. We have plenty to search through.

Pay in person $20.00/person. First 50 kits pre-ordered. Please contact Julie McKenney julie.m.scouts@gmail.com by Nov. 3rd to lock in your kit if you can't fill out the registration form. These are shipped from FL and we place the order at the end of October.
If you return with your base kit from last year, there will be a $5.00 discount.

What is included in your Kit? Nib Base (.45oz), 3.6oz axles, and Legos.

LEGO DERBY RULES

- Weight limit - 9oz
- Nothing shall be placed any further ahead than the front edge of either the front tires or nib plate. The car may be as long on the back as you wish.
- No accelerants or CO2. Gravity led only!
- Axles may be placed anywhere under the nib plate. Clamp them down with pliers to force a good hold or *carefully* glue in place.
- The vehicle may not exceed 2 ¾" wide or past the outermost edge of the tires.
- Total height may not exceed 5 inches, including any figures or decorations.
- Participants are encouraged to super glue any pieces that they feel may come loose in the race. Adjustments will be determined by judges.

HAVE FUN!

SCHEDULE

9-10 - Registration - Pick up materials.
9-11 - Build time!
11:00 - Weigh-in & Inspection. No alterations!
Lunch- **Derby Diner Host** - enjoy the concession sale.
12:00 - Race time! May start sooner if ready
3:00- Awards to follow race.
