

OPERATION FLY FIRST CLASS 2019

INFORMATION SHEET For Scouts and Parents

Welcome to the Fly First Class program! We have you registered and wanted to share some information with you about our program!

Your scout will be placed in a patrol, girls and boys will be in separate patrols, and camp will provide the Patrol Leader, Senior Patrol Leader and other youth staff so it runs like a troop.

If your scout has a preference to be in a patrol with a buddy who is also attending, please let me know. We try to keep scouts from the same troop together in patrols.

Arrival and Departure

Please plan on arriving between 10:00AM and 10:30AM on Sunday April 14th. We request that you do not arrive any earlier as the staff will be busy with last minute preparations. If there are any challenges for this arrival window, please let me know!

On Wednesday April 17th we will have a closing campfire that will start at 6:00PM. Parents and any guest will be welcome starting at 5:30PM. All campers are dismissed after the campfire to return home on Wednesday night.

Health Forms:

Health forms are required for all campers and staff! **Campers must complete a Class A, B, and C health form**, which requires a doctor's physical within the last 12 months prior to Fly First Class Camp. Usually your health form from summer camp works.

We will have a Health Officer on staff during the program, knowing that a safe program is our number one priority. If your Scout had any medications that will be needed during the program, please be sure that are in the original pharmacy containers, with all instructions. We will be collecting these during check in.

Please let us know prior to the course if your son has any significant food allergies or medical conditions so we can make arrangements.

Contact Information:

If you need to reach your scout during Operation Fly First Class, please call Camp Hinds at 797-5252. Messages will be passed on. Please beware that those prone to homesickness sometimes do better not talking to Mom or Dad!

What to Bring:

Advancement:

Almost everything you will need will be provided to make sure that each scout is on his way to the rank of First Class. While we would love for you to meet the requirements for swimming, we think Panther Pond will still be a little cold this time of year! We will not be signing off in each Scouts book but will provide an official form that scouts should take back to their Scoutmaster for official tracking. Anything that is needed beyond what is signed off on will be noted.

Requirement of Second Class

Building a personal first aid kit is a requirement for the rank of Second Class. Please have your scout follow the outline in the Boy Scout Handbook and bring their personal first aid kit with them to camp!

Personal Items to Bring:

All items should be appropriate for outdoor and indoor activities given the weather expected for the week. Considering the accuracy of weather forecasts, it is a little early for me to guess what is really needed.

- A copy of your health forms and any prescription medications in the original prescription bottle with clear instructions.
- Class A uniform to include a proper insignia shirt, neckerchief and slide. Official belt and pants are optional.
- Additional shirts and pants as needed for the week. Please pack appropriate scouting- like t shirts only.
- Inside shoes — sneakers or slippers • Outside shoes — Hiking boots preferred.
- Flashlight with extra batteries
- Water bottle
- An ‘Orienteering Compass’ if you have one for the hike.

- **A SCOUT IS CLEAN** — Soap, comb, towels, face cloth, deodorant, shampoo, toothbrush and toothpaste
- A towel for showers
- Sleeping bag, pillow and ground pad for outside campout (one night)

Please MARK all gear and equipment with your name!

What NOT to Bring:

- Please no footlockers — they do not fit under the bunks. Use duffel bag or backpack.
- **NO ELECTRONICS** — No iPods, iPhones, video games or mobile phones
- Any valuables — any cash provided for the Trading Post can be held by the leadership for safe keeping (optional).

Trading Post:

We will have a small Trading Post open for limited hours during the week. Some candy, personal items of need, etc. will be for sale.

Program Highlights:

Patrol Method	Knots, Knots, Knots	First Aid	Citizenship
Movies	Popcorn	Service	Camping FUN!

Questions:

If you have any questions feel free to contact us.

Jack Waite — Staff Advisor for Fly First Class at: jack.waitejr@scouting.org

In closing, thank you. It is our goal to provide a safe, fun learning environment for each of your Scouts where they will learn new skills, make new friends and become leaders of tomorrow in Scouts BSA and in life! Yours in Scouting,

Jack Waite Jr
