AOL & WEBLOS SCOUTS AND DENS

“Meet the Troops” open house is an opportunity to learn more about the next step in your scouting adventure — bridging to a Scouts BSA Troop! At “Meet the Troops” night, you will talk with many troops from across the National Pike District (Howard County) to learn more about Scouts BSA and the opportunities and adventures that each troop offers. This will help you to select the best fit for your transition into a Troop.

NEW TO SCOUTING?

Boys and Girls ages 11-17 are invited to join the adventure! Come to this “Meet the Troops” open house event to learn what scouting with a Scouts BSA Troop is all about! Adventure, leadership, STEM, and more! For youth up to age 20, BSA senior youth program reps will be available to discuss BSA’s exciting programs for older scouts.

SCOUTS BSA TROOPS

“Meet the Troops” night provides you an opportunity to showcase your Troop’s program, and to invite AOL and WEBELOS scouts to bridge into your unit (as well as boys and girls new to BSA). When and where do you camp? How are youth leadership and advancement supported? What opportunities are available for high adventure and STEM activities?
