Cub Adventure Camp is Broad Creek's introductory resident (sleep-away) camp program, tailored to meet the needs and interests of Cub Scouts and their families.

Each day, Cubs will wake up after camping with their family and Pack, split into dens for a day of round-robin programs at Broad Creek's outdoor learning facilities, then gather for exciting evening programs. Each den is based on rank (grade), so they can work with others their age to do activities.

Every session will feature the following:

- STEM
- Nature Activities
- Arts and Crafts
- Boating
- Swimming at the Pool
- Team-Building Games
- Climbing (Webelos only)
- BB Shooting
- Archery Shooting
- Slingshot Shooting
- Outdoor Skills

Each session will also feature special evening programs. All sessions are open to all ages:

Weekday Session Tuesday-Thursday

Evening Programs: Staff Campfire Show, Pool Party

Weekend Session Friday-Sunday

Evening Programs: Project MOOSE (overnight AoL outpost), Staff Hunt, Songfest (dance party)

Webelos Week Tuesday-Sunday

Evening Programs: All of the above will added Thursday night programs

Pricing, dates, and other details are available at www.BroadCreekBSA.org/cubs
