Conclave Mobile Application

The section is rolling out a brand-new mobile app at Conclave this year. The app will provide easy access to camp maps, schedules, and notifications about key events – an electronic program guide. Plus it can be updated live during the event, so you'll always be sure to have up to date info. We recommend you download the app prior to the event.

- For iOS users it can be downloaded from the AppStore – search for “Scan E10”
- For Android users it hasn't been cleared for wide release on the Google Play Store yet. Instead, you will receive the full app as a “Beta Tester” To do so we will need to register the email account you use on your phone/tablet, which will get you the link to opt into the test program and download the app. Please send an email to e10scan810@gmail.com with the email to register, and we'll handle registration.

In addition, Broad Creek Scout Reservation has a fully offline navigation system you can use during the event.

1. Scan the QR code with a mobile device
2. Install the Avenza app when prompted
3. Click the “free” button to download the map
4. Open the map and hit the trail!

Special Events Spotlight

Venture Among the Stars with Section E10!

We are beyond excited to welcome you to a weekend that promises inspiration, connection, and adventure — all under this year's theme: “**Venture Among the Stars.**”

This year, we've worked hard to create a **Conclave like no other**, with unforgettable moments that celebrate our brotherhood, highlight the spirit of Scouting, and literally reach for the stars. Here's a preview of what you'll experience — and a few things to bring with you to make the most of it.

Friday Night Show — An Astronaut's Message from the Stars

We'll begin our weekend with a **special prerecorded address from NASA astronaut and Maryland native Reid Wiseman**, whose journey from our home state to outer space shows what's possible when we aim high. His message will inspire us to think boldly and lead with purpose, right here at Conclave.

Saturday Astronomy Presentation — Explore the Universe

Saturday evening's show features a **live, interactive astronomy experience** that brings the cosmos to life with visuals, stories, and Scout-centered insights. Whether you're a space buff or just curious, this is a highlight you won't want to miss.

Stargazing & Solar Viewing — Look Up and Dream Big

Join us day and night for **safe solar viewing and telescope stargazing**, guided by local astronomy partners. See sunspots, planets, and deep-space wonders with your own eyes — and imagine your own next frontier.

 *Optional: Bring binoculars, a blanket, or a red-light flashlight if you have one.*

Saturday Midway — Complete the Challenge, Win the Prize!

The **Midway Expo Booth**, running Saturday from 1:00–5:00 PM, features interactive booths from STEM groups, service orgs, Scout partners, and more. Visit them all, complete your **Midway Passport**, and earn a **special commemorative prize** for your efforts.

 *Bring a pen or Sharpie to keep track of your visits.*

Religious Services — Reflect and Recenter

Join fellow Arrowmen in **interfaith services** offered throughout the weekend. These quiet moments are a chance to reflect, renew your spirit, and ground yourself in our shared values of reverence and respect.

Rededication Ceremonies — Rekindling the Flame

Conclude your Conclave experience by participating in one of our **moving rededication ceremonies**, a powerful reminder of the ideals that unite us as brothers in cheerful service.

Conclave Soundtrack — Official Playlist

Fuel your weekend with the “**Venture Among the Stars**” **Spotify playlist**, filled with energizing tracks and cosmic vibes. Whether you're traveling to camp or chilling at night, this playlist will keep the spirit of Conclave alive.
