MERIT BADGE MANIA

Broad Creek Memorial Scout Reservation
September 12-14, 2025

FALL 2025
Leaders Guide

Introduction

Merit Badge Mania 2025 is the merit badge weekend camporee presented by the River Hawk District in the Baltimore Area Council. The event will take place at Broad Creek Scout Reservation - Camp Saffran in Harford County, MD. Scouts will camp with their troop and attend merit badge classes covering different badges from Archery to Weather. All participants are strongly encouraged to follow best practices for hygiene and safety and are expected to adhere to the Scout Oath and Law at all times.

Event Leaders

Merit Badge Mania 2025 is presented by the following Scouters, who will be happy to answer your questions and help as much as possible:

Event Chair	Bruce McPherson	410-456-2500	Bmcpherson73@verizon.net
Registration	Debi Hayes	301-741-1105	RiverHawkDistrictRegistrar@gmail.com

Registration Information

Registration is on a first-come, first-served basis. Payment is due upon registration to reserve your spot. Registration deadline is September 1, 2025.

Online Registration

<https://scoutingevent.com/220-2025RHDMeritBadgeMania>

General Guidelines

1. We will be guests of Broad Creek Memorial Scout Reservation (BCMSR). The Scout Oath and Law are expected to be always observed. Anyone who is found violating the rules will be sent home.
2. BSA Field Uniform (“Class A”) is the expected attire for most merit badge classes and other assemblies unless otherwise indicated. Activity uniform (“Class B”) or casual attire is suitable at other times. Everyone should wear durable, closed-toe footwear.
3. Advancement reports and patches will be distributed Sunday after all classes are completed. Scoutmaster or designee must sign for each packet.

Troop Camping

1. Only paid/registered adult leaders with YPT certification will be allowed to camp overnight. All others may stay for the day only.
2. If female scouts are present overnight, a female adult leader must be present.
3. Campsites will be assigned upon arrival unless prior arrangements have been made with event leaders. Campsite pavilions and cabins will be needed for merit badge classes and cannot be used for troop camping.
4. Troop leaders should bring a roster of all youth and adult participants, and a BSA Annual Health and Medical Record for each person. Keep them secure and accessible in the event of an emergency.
5. Please submit any patrol-planned campfire skit or song when checking-in Friday evening. Use the form included in this Guide.
6. Troops must plan to be self-sufficient and bring their own camping gear and food.
7. Single scouts cannot be accommodated overnight, but may participate as day trip attendees.
8. Potable water will be available at campsites.
9. Troops will cook their own meals at their designated campsites. Staff meals will be provided by the Event Quartermaster at Cole Dining Pavilion.
10. Troop leaders are responsible for monitoring their Scouts, particularly when classes are not in session.

Day Trip Attendees

The following guidelines apply to individual scouts who will attend the event as a day trip attendee and who will not camp overnight with a troop.

1. Day trip attendees should bring a day-pack including food, snacks, water bottle, rain gear (if needed), and any other personal items, in addition to any items listed per the prerequisites described in this Leaders Guide.
2. We recommend that a parent accompany a lone Scout for the day. This is not a drop-off-and-pick-up type of event.
3. Class periods begin at 8:00 AM Saturday, 1:00 PM Saturday, and 7:30 AM and 9:30 AM on Sunday. Please allow sufficient driving time to get to camp, park at RHQ, and walk to your class location.

Parking

Participant parking is available at the Rosenberg HQ. Due to multiple troops camping at each campsite, only troop trailers are allowed at campsites. Disabled parking permits are available on request.

Open Program

Due to overwhelming interest in this event, we will provide some limited Open Program options for attendees who could not get into a merit badge class. The following activities *may be available*, at times to be announced: hiking, fishing, climbing, ball sports, Scout Skills.

Scouts who register for Open Program will receive an event patch and may participate in all other non-class activities at the event. They are also free to work with their troop leaders on rank or merit badge requirements at their troop campsites.

Trading Post

The trading post will be open on Saturday for snacks, drinks, maps, supplies and merit badge pamphlets. Cash or credit cards are accepted

Merit Badge Classes

The following guidelines apply to scouts attending any merit badge classes:

1. A “session” is a complete class for a merit badge. Some badges have 2 or more sessions to allow more scouts to earn the badge. Scouts should only attend one “session”. Each merit badge description lists the number & duration of sessions.
2. We will not be using blue cards unless by exception. Completion records will be kept on Black Pug. Leaders will receive completion reports on Sunday at check-out. Completion records can be downloaded to Scoutbook if required.
3. Scouts may sign up for more than one merit badge if the schedule allows. For example, one merit badge on Saturday and another one on Sunday morning.
4. Class size limits are listed on the event descriptions and registration.
5. **Scouts must register for merit badges at the time of their online registration.**
6. Scouts must bring pen/pencil and paper/notebook for all classes. Unofficial Merit Badge worksheets (found online) may be helpful but are not required for any badge.
7. Scouts are expected to read the appropriate merit badge pamphlet. Current merit badge requirements and merit badge pamphlet PDF’s may be downloaded at <https://www.scouting.org/skills/merit-badges/all/>
8. Scouts must complete all prerequisites (specified later in this Guide) prior to class, to earn the merit badge.
9. Scouts who do not complete all requirements will receive partial credit for their efforts and will need to work with their troop to complete the merit badge.
10. Due to physical and experience requirements some merit badges have been designated with a recommended minimum age or rank requirement. Meeting these recommendations will improve the chances of success for the scout.
11. Current 2025 merit badge requirements will be used. If a scout has already started a merit badge under an earlier version, he may continue if he can show evidence of completing some requirements under the old version.
12. Scouts participating in Archery, Rifle Shooting or Shotgun Shooting merit badges should complete the Broad Creek Range & Target Activities permission slip signed by the parent. This form can be downloaded at https://scoutingevent.com/Download/220151096/OR/Shooting_Sports_Hold_Harmless_Scouts_BSA_Venturing_Sea_Scouts.pdf
