"Use Your Gourd" Pumpkin Drop

- Carroll District STEM Activity
- November 15th -- Check-Ins @ 1 pm
- Sykesville Fire Station 6680 Sykesville Rd.
- Cub Scouts • Scouts BSA • Venturers
- Design a way to protect a pumpkin from damage from a 100' drop
- Pumpkins will be dropped from a firefighter "tower truck" and we'll see if they survive
- Rules on registration site say what you can and can't do to protect pumpkin
- No parachutes allowed this year, sorry.
- No charge but registration required
- Unit can have multiple entries
- Questions: chris@kriegers.org

An **impactful** way to spend a ***fall*** day!
