

Request for Individual Registration Assistance

The Western Massachusetts Council wants to make sure every youth has an opportunity to fully participate in our program and give every family an opportunity to have their youth registered. After completing this Registration Assistance Request, it will be reviewed. If approved, the youth's family will be provided an opportunity to receive registration assistance.

To help ensure we continue to receive financial gifts that make this assistance program possible, **all sections of the form must be filled out completely.**

In order to provide financial assistance, Scouts and families are encouraged to participate in Western Massachusetts Council's fundraisers.

How this form works:

1. A Scout family, or potential Scout family, indicates they would like to join Scouting; however, the registration fee would create a hardship.
2. The Unit/Post Leader (Cubmaster, Scoutmaster, Advisor, Skipper, or Committee Chair) completes his/her section, assessing potential contribution by the family and unit.
3. The Charter Organization Representative completes his/her section, assessing potential contribution by the chartered organization.
4. The completed form is submitted to Council for review. To submit your form, use this link:

5. The executive board review team will review the assistance request and contact the Unit Leader with the decision.
6. If approved, the form will be returned to the Unit Leader. The form should then be submitted by the unit to Council with a Youth Application.
