

PLANT IT FORWARD

2026 Tree Sale Fundraiser

April 1-30, 2026

A partnership between

&

Summary:

Northern Star Scouting is partnering with the Arbor Day Foundation to bring a new fundraising opportunity to Scouts in our area. The partnership will allow Scouts to raise funds to go to camp and other Scouting adventures while promoting environmental stewardship by helping with reforestation efforts through the Arbor Day foundation.

Product Sale:

Scouts will sell trees for \$20 each. Trees will then be planted by the Arbor Day Foundation through Minnesota reforestation projects including at the Superior National Forest and 3,000 acres in other local forests in Northeast Minnesota. Customers will not receive any trees. They may receive a small thank you (magnet, sticker, etc) for supporting Scouting.

How it helps Scouting:

Scouts earn 50% of every tree sold to help them “earn their way” to pay for camp and other Scouting programming. One of the guiding principles of Scouting is for youth to earn their own way, helping them build skills like confidence, goal setting, communication and more.

Ways to sell:

Scouts will be able to sell trees door to door, online or at a storefront. Since there is no physical inventory to hand out, Scouts are able to utilize different ways of selling. Scouts will be able to accept cash, check and credit card payments via a QR code.

Timeframe:

Scouts will be able to sell Trees during the month of April, 2026. It will be piloted in Districts AH, BW, H, J, Q and Scouts attending the 2026 National Jamboree.

Sales Materials

Scouts will have a “one pager” selling sheet with information about the impact of the sale, both environmentally and for Scouting, along with a QR code they can scan to support the sale.
