

# TRAILBLAZERS

Another Season. Another Adventure.

## WHAT IS TRAILBLAZERS?

**TRAILBLAZERS** gives elementary-aged kids the chance to explore the world through adventures, challenges, and hands-on, outdoor activities.

Guided by trained staff, kids work together with friends, boost their confidence, and build important skills without ever losing the fun. Trailblazers creates a safe and inclusive environment for all.

Curriculum powered by Scouting America's Cub Scout program.

## PROGRAM HIGHLIGHTS

- **12 Weekly 90-minute** sessions.
- **Hands-on learning** in teamwork, leadership, and outdoor skills.
- **All materials provided.**
- **End-of-season adventure** with a camp experience.

## GET INVOLVED

We know schedules can be full, so we've designed **TRAILBLAZERS** to be flexible and easy to fit into your routine.

Our year-round expeditions run in 12-week sessions that provide meaningful experiences and lasting friendships in a manageable commitment.

**Ready to Explore?** Visit our website to sign up and start the adventure.

## WHY PARENTS LOVE **TRAILBLAZERS**

### **Fun sparks curiosity**

Kids jump into engaging games and interactive experiences that leave them wanting to come back week after week.

### **Friendship grows naturally**

Kids team up, cheer each other on, and build real connections.

### **Supports social-emotional growth**

Kids build character, teamwork, and leadership skills as they learn to work together and take on new challenges.

### **Keep kids active and engaged**

Movement is built into every lesson to keep a kid's mind sharp through hands-on activities and games.

### **Builds resilience**

Kids learn how to try again and stay positive when things get tough, all while celebrating progress along the way.
