

2020 COMMUNITY SERVICE SURVEY (Current & Planned)

It is now possible for service hours to be reported directly through Internet Advancement and Scoutbook. This form should be utilized for any service projects that have not been entered through Internet Advancement of Scoutbook (or if the service projects listed were completed as an Exploring Post). To access Internet Advancement, visit scoutbook.scouting.org. If you are looking for further assistance on the enhanced service hour reporting features online, please visit help.scoutbook.com.
