## Welcome

Welcome to the Mayflower Council event. Our committee has been hard at work planning this fun event for you and your scouts.

The event will be held at Camp Squanto.

Directions for the event are included in this document as well as a schedule of events. We will follow these as closely as possible.

## Short Term NCAP

All Mayflower Council events are run under the strict guidance of a Nationally accredited Short-Term BSA Camping Administrator. The National Camp Accreditation Program (NCAP) is the set of safety requirements that govern our day and resident camp programs.

## Registration

All participants must pre-register to attend. Registration is handled either by the unit or individuals see Event Specific details. Please note the registration fee for youth and adult attending. Please note the registration date and there is a **late fee for registrations after that date**. No unit will be allowed to register at event check-in. Only fees for recent additions to your units will be accepted (new after registration deadline)

If you have any questions after reading this guide, PLEASE bring them to the attention of the event Chair.
