MAYFLOWER BSA RESIDENT CAMP SQUANTO OVERVIEW

Resident Camp is a fun week-long overnight camping experience for Scouts BSA that provides those who attend an exciting program of education, adventure and purpose. It is an excellent environment to promote character, citizenship, and fitness as well as meet other Scouts, earn merit badges or take advantage of advancement opportunities.

At Camp Squanto, it is our mission to provide a safe, educational, and exciting week-long program for all members of Scouts BSA looking for an adventure. We take pride in our camp, keeping it clean and filled with the Scouting Spirit. The hard working, lively, and helpful attitude of our staff means our program is always stimulating, unique, and catered to the needs of all Scouts who attend.

We offer a host of merit badges and activities, including aquatics, handicraft, life & sciences, nature, scoutcraft, and shooting sports. Advancement opportunities are plenty, but we offer a program that is so much more. A week at Camp Squanto gives Scouts not only an opportunity to learn, but to have fun, meet other Scouts, and experience the great outdoors. From our waterfront on Fawn Pond to our five-mile nature trail, there is much to enjoy, especially when surrounded by our vibrant staff. Our camp is open to all registered youth members of the Boy Scouts of America without regard to race, color, creed or financial status.

So please join us this summer for an adventure of a lifetime. Whether you enjoy paddling a canoe across a crystal-clear pond, listening to bugle sounds as Old Glory climbs to the top of the flagpole, reel in a bass, landing a bulls-eye at the archery range, eating a delicious Dutch oven dessert, stretching for the next rock on the climbing wall, laughing around the campfire, or taking a leisurely stroll along our hiking trails, there is much to enjoy when camping with Mayflower Council, especially when surrounded by our vibrant staff and the great outdoors.

We hope you enjoy being a part of the Spirit of Squanto.

A. MAYFLOWER COUNCIL BSA SUMMER CAMP GUIDELINES

The Camps administrative staff work year-round to ensure the program provided during your week at camp is the best experience possible.

PLEASE READ CAREFULLY. These rules and regulations are implemented to assure proper conduct at our Council camps, to keep Mayflower Camps in good condition, and to ensure the safety of all that use the facilities. We appreciate your decision to camp with us and we hope you have a great time.

The Mayflower Council BSA follows the Guide to Safe Scouting, a copy of which can be located at scouting.org.

1. THE PURPOSE OF SUMMER CAMP

The purpose of good Scouting and Scout camping is to train boys and girls in good character, vital citizenship, and personal fitness. The objectives of the Camp Staff and of the camp program are to serve the needs of the troop and the Scouts. In outdoor Scouting activities, simple skills of camp craft, woodcraft, aquatics, personal fitness, and living in a democratic society are at a premium. They are important because:

- ☐ Learning skills and advancing bring self-confidence.
- ☐ Solving immediate camping problems brings self-reliance.
- ☐ Vigorous outdoor exercise promotes personal fitness.
- ☐ Knowing what to do and doing it promotes personal initiative.
- ☐ Making group decisions and implementing them develop cooperation.
- ☐ Facing certain hardships with other Scouts makes life-long friends.
- ☐ Experiencing nature develops outdoor appreciation and spiritual awareness.

At Mayflower Camps, we intend to reproduce and strengthen the processes by which a troop ideally operates when it is in its home community. We do not intend to replace the Scoutmaster, the Troop Leader's Council, or the Leadership Corps but, rather, to work with them and through them in determining the needs of individual troops and of the Scouts in them.

Camp will be more than out-of-doors; it will bring an intense and vital training session for the troops that come and for the boys and girls they bring. It is a vital part of the Scouting program and will endeavor to build Scouts and troops by supplying them with the challenges, opportunities, and rewards of Scouting, in an intensive and reinforcing way. This, in turn, assists the Scouts and troops to continue to determine their own program and effectively operate through their own leadership.

Rules for acceptance and participation in all sessions of this camp are the same for everyone, without regard to race, color, or national origin.

CORI reports are only done by authorized personnel as outlined by the State of Massachusetts. Please be aware that all adults serving in a supervisory capacity in camp **MUST** have a current YPT and a camp CORI & SORI done even if they are not staying overnight.

☐ The Free Leader fee schedule is as follows:

| 25 - 32 | campers | Four free leaders |
| 33 - 40 | campers | Five free leaders |
| 41 - 48 | campers | Six free leaders |

The fee for all leaders beyond this schedule is \$100.00 per week. This helps to cover food and other expenses.

Youth Protection Policy:

All adults attending a Mayflower BSA Camp **MUST** have an up to date Youth Protection Training certificate. Mayflower BSA has a responsibility to provide a safe and healthy environment for all who camp there. Camp leaders and staff must be alert to several types of possible abuse: physical, emotional, sexual, and neglect.

If you suspect abuse of any kind, follow the BSA Youth Protection Policy. The Camp Director must be notified and given a report of any incidence of child abuse. The report must include as much supporting information as possible. The report is to be kept confidential. Tell only those who have a need to know. Above all, protect the dignity and privacy of the victim. Please refer to the BSA Safe Scouting Guide for additional information on this matter.

Discipline:

Campers attending our Camps are expected to maintain appropriate behavior at all times. Respect for all members of the camp community and camp facilities is expected at all times. All discipline shall have as its intent the modification of behavior to within acceptable parameters. Discipline shall be limited to counseling, close supervision/monitoring, and restriction from selected activities. At no time will discipline be administered by a staff member under 18 years of age unless the actions in question pose a safety hazard to the offender or another individual. Then action appropriate to remedy the situation may be employed. Discipline shall be

constructive or educational in nature, and may include such measures as diversion, separation from problem situations, talking with the camper about the situation, or praise for appropriate behavior.

Prohibited Discipline:

- ☒ Corporal punishment, including spanking, is prohibited.
- ☒ No camper shall be subjected to cruel or severe punishment, humiliation, or verbal abuse.
- ☒ No camper shall be denied food or shelter as a form of punishment.
- ☒ No child shall be punished for soiling, wetting or not using the toilet.

The Camp director reserves the right to dismiss a camper when, in the director's judgment, the camper's behavior interferes with the rights of others, prevents the smooth functioning of a group or activity, or violates the camp's principles of conduct.

Bullying or Hazing:

Hazing, Bullying or Pranks of any type are not permitted at Mayflower camps or anywhere in Scouting. Troops or individuals engaging in such activities may be asked to leave camp without the advantage of a refund.

Strictly Prohibited Items:

- ☒ An adult must supervise ax and hatchet use. No double bit axes.
- ☒ Smoking, e-cigarettes, and personal vaporizers (vapes) are not allowed in any building, camp structure or on camp premises. Adults may smoke in approved smoking locations. Do not litter; take your butts with you! The National Council, BSA recommends NO SMOKING at any event with youth present.
- ☒ Any item deemed by camp leadership to be unsafe or used in an unsafe manner.

Possession and/or use of any of these items will result in dismissal from camp. A report may also be filed with the local police and fire officials.

Technology:

It is our hope that camp week will be as technology free as possible. Camp Administration will rely on individual scoutmasters and troop leaders to monitor and maintain cell phone usage. Please discourage campers from charging their technology in the dining hall as damage to the device is likely to occur. Camp Squanto has limited Wi-Fi access for leaders and adults who require it. Camp staff will arrange Wi-Fi coverage in the Reynolds room of the dining hall.

Please do not share the Wi-Fi passwords given to you with the campers. If a merit badge class requires individual cell phone or technology usage you will be informed by the staff.

Homesickness:

One of the possible problems for Scouts attending Camp is homesickness, especially for younger Scouts at camp for the first time. Ask parents to help leaders by talking up the positive experiences campers will have rather than how much they will miss. Parents should explain that campers will make new friends, have an adventure, and personally accomplish new things. Calling home will probably increase homesickness but Camp Administration will rely on the knowledge and discretion of individual troop leaders.

Food Service:

Everyone at camp is served delicious, wholesome, well-balanced, cafeteria style meals in the dining hall. The dining hall and cafeteria style will be part of Camp orientation on the first day. Menus are approved by qualified dietitians. It is important that the Camp Director, Health Officer, and Chef know of any food restrictions. Notification can be made during the registration process.

Special Accommodations:

A leader must meet with the Camp Director and Health Officer if someone in their group has made a special accommodation request. Mayflower BSA website has a link for the special accommodation request form. This may include dietary requests, physical accommodations or electrical needs for medical reasons. Mayflower BSA attempts to meet reasonable accommodation requests, but there is no guarantee our facilities can accommodate all requests. All accommodation requests should also be noted on the individual's medical form.

In camp advancement and training:

Troops should feel welcome to use their campsite as a training area as well. Evening campfires can be valuable safety and fire building training opportunities. Similarly, scout skills (knife/ax/hatchet safety, tent set up, campsite orientation) can be reinforced and taught within the troop and campsite. This is an excellent opportunity for older scouts to teach using the EDGE method.

Camp Store:

Our camp stores are open most of the day except meals. You will find a wide variety of items including T-shirts, patches, mugs, merit badge pamphlets, craft kits, candy, snacks, and soda. This is not, however, a substitute for meals. Please advise scouts in advance that the trading post is for snacks, we strongly discourage the use of the Trading Post in place of meals.

Troop Pictures:

Your troop will have its picture taken by the camp photographer during your week at camp. The estimated cost per troop picture is \$13 (times and costs may vary by camp and photographer). Pictures are then presented at Saturday closing colors.

Rainy Day Activities:

Be prepared for the worst. Please make sure that your campers have adequate rain gear and warm clothes. Encourage them to bring cards, checkers, and other small games. Don't hesitate to bring your troop tarps.

Uniforms:

Each Scout should plan to have at least one complete summer Class A uniform in camp. Uniforms are encouraged to be worn for the morning meals and are required for the evening meals, flag ceremonies, formal retreats and Troop photos. Comfortable clothes, appropriate footwear and a bathing suit (trunks for boys and one piece and/or tankini style for girls) should also be available for daily use and activities.

Buddy System:

The National Boy Scouts of America require that all campers utilize the “buddy system”. This requires that two or more campers stay together at all times, while at any of the Mayflower BSA camps. No camper should be wandering alone.

Religious Services:

A Scout is Reverent. All Scouts and leaders are encouraged to attend. Vespers will be held weekly at 5:15 pm at the pine grove on Wednesday. The camp memorial services will be held on Thursdays in the Memorial area. At that time, we honor those Scouts, and volunteers who have passed away.

Colors and Retreat:

Please refer to camp schedules for timing of these ceremonies. Be sure to bring your troop flag in order that campers may participate. No other flags should be flown with your troop’s flag. Check each camp for times.

Taps:

Taps occurs each night at 10:00 pm, campers are expected to be in their sites and quiet at this time. A Scout that requires leaving the site for an emergency trip to the health lodge must be accompanied by an adult or camp staff member.

Camperships:

The Mayflower Council operates a campership fund to provide financial assistance to deserving campers who would otherwise not be able to afford attendance at its camps. As good stewards of the money generously donated to this fund by concerned individuals, foundations and others, the Mayflower Council acts in complete confidence and exercises careful judgement when awarding camperships. In order to give as many camperships as possible, it is the policy of the Mayflower Council not to give 100% camperships and to only give camperships for one week at camp. Each family is expected to share part of the expense of camp. The amount granted is made on the basis of need and availability of funds. To apply for a campership, a family must submit the application on our website no later than June 1, 2022. The committee will be meeting to distribute available funds on a rolling basis beginning in early spring.

The earlier an application is submitted, the better chance the applicant has of receiving assistance. Camperships are awarded based on need and first come, first serve or until funds are exhausted. There is no guarantee of campership awards and applications will not be accepted after June 1, 2022 or when funds are exhausted.

Barefoot Walking:

Being barefoot in camp is dangerous and therefore is not allowed. Scouts may only be without their shoes in the immediate waterfront area, camp showers and in their own tents.

Clothes Lines:

Please string clotheslines out of the way of foot traffic and hang something on them to indicate where they are. Tent outriggers are not to be used as clotheslines.

Garbage:

Do not leave garbage in fire pits, or latrines. Do not bury any garbage or leave food scraps outside. Groups must take all garbage to available dumpsters identified by the camp staff. Tin, glass, or other harmful items must be disposed of in the dumpsters before leaving camp.

6. ADVANCEMENT

Merit Badge Program:

Every merit badge counselor in camp has gone through a week of training in his/her area. They are using the National Camp School Syllabus, or their own syllabus approved for use by the Assistant Camp Director Program and Camp Director. Occasionally, you as a leader may be of assistance to the merit badge counselor if it is in your area of expertise. We invite you to help (we're never one to refuse help!). Please see the Area Director of the merit badge if you feel you may be of assistance and are willing to lend a helping hand.

Each Scout will be challenged to pass their merit badges during their week at camp, however, we cannot guarantee that a Scout will complete the requirements. If you have a question as to why a Scout is not being signed off on a requirement, please see the merit badge counselor. If you are not satisfied, please see the Area Director or Program Director and we will meet and discuss the requirements. You will be notified of the resulting decision by the counselor at their earliest convenience. Any questions about the merit badge or its instruction should go through the following channels: merit badge counselor, Area Director, and Assistant Camp Director Program.

MB Registration:

Unit leaders are responsible for registering their Scouts for merit badge classes through the Council's registration system. At Camp you may make changes in your troop's program, based on availability. Please make all changes with the Area Directors. Don't hesitate to make changes if you feel they are in the best interest of your Scouts.

Merit Badge Completion Records:

All advancement will be in accordance with BSA National Standards. No substitutions are allowed and those not completing all the requirements will be given a partial. Staff members will not sign off on anything directly, but they will submit completion records to the Camp Administration. Electronic completion records are available for the troop leaders to run after camp ends. Please look them over and submit them to your advancement chair.

These are your troop's completion records; no physical blue cards will be distributed. It is important to run and verify your unit's report as soon as possible so we may speak with staff while they are still at camp. There is no guarantee that researching discrepancies months after camp will be possible. Thank you in advance.

New this year: All badges completed by the scout can be purchased at the Trading Post for distribution by the troop leadership. We encourage this to be a Friday evening activity, after the closing bonfire and as a team builder. The cost will be the same as if purchased at the scout store.

Merit Badge Classes Caps:

Several merit badges have limits on the number of Scouts that can take them at one time. For the most part these caps are based on physical requirements of the badge or limitations of our staff. We do this to make sure that each Scout is getting the most out of their merit badge time. Class size will only be adjusted after review of the camp administration.

Prerequisites:

Many merit badges cannot be done in just one week. Some require work either before or after camp. Please be

sure to have the camper check over the list of prerequisites once they have selected their badges. It is very unlikely that if a camper does not do the pre-reqs, that they will be able to earn the merit badge during camp.

CAMPER SAFETY

The security and safety of the youth in our charge is an extremely heavy responsibility. We must ensure that they are protected from unauthorized and unwarranted exposures, at the same time providing the freedom that is so essential to their maturing process. With this as our goal the following procedures apply:

- ☐ At no time will youth be allowed alone beyond reasonable jurisdiction of staff members. When going from one area to another they shall travel in groups of no less than two.
- ☐ All activities beyond parameters of the main camp will be furnished with means of communication to the Administration Building.
- ☐ Campers will be released only to those individual(s) listed on the registration form or the Scoutmaster who will ensure responsibility for them.

Intrusion of Unauthorized Person(s):

Any Scout, leader, or staff member suspecting intrusion of an unauthorized person should report immediately to their leader or staff member of the area they are currently in. Leaders and staff should give a brief salutation, if possible, and direct them to sign-in at the administration office. Campers should not approach the individual under any circumstance. If the leader or staff are uneasy about approaching the individual or are given an inappropriate response, please notify the Camp Director or his/her designee immediately. The Camp Director shall assess the situation and ask the person to leave camp or notify the authorities if appropriate.

Camper Release:

Unit leaders are asked to inform the Camp Director in advance of any Scout who intends to leave camp during the week. A Release of Scout Form must be filled out.

The safety of our campers is a shared responsibility. Please ensure the Camp Director is informed of any situation which could result in a Scout being released to someone other than an authorized adult. Child custody disputes are especially sensitive and should be relayed to the Camp Director.

Before a Scout can leave camp, the adult escort must be identified by the unit leader. If the escort is not the Scout's parent, a letter from the parent authorizing release of the Scout is required. The adult taking a Scout out of camp must first sign-in at the administration building and be identified as an authorized person. When identity or authorization to pick up a Scout cannot be determined, the camper's family will be called to get authorization to release their child to the person at camp.

Verification of "No Show":

In the event of a no-show at check-in, the following process should be followed:

- ☐ The unit leader should verify why the Scout did not arrive at camp and inform the Camp Director.
- ☐ The Camp Director or Business Manager will call the Scout's family to verify the reason(s) of his/her absence from camp.
- ☐ A note on the Troop's roster will be made stating: who the camp spoke with; the date; and the name of the camper.
- ☐ If you know a Scout will not be going to camp, please bring a note from the parent whenever possible.

Sign In and Out of Camp:

Adult leaders arriving or departing from camp during the week are required to sign in and sign out using the in/out book in the camp office. During regular office hours the book will be located inside the camp administration

building. Should an emergency situation occur, camp administration must know who is in camp at any time. Leaders leaving camp should make sure that proper coverage is provided during their absence by BSA authorized adults.

Visitors in Camp:

All visitors to camp must sign-in and sign-out at the administration building. Please remind all visitors to sign in immediately upon their arrival at camp and before proceeding to campsites or program areas. All visitors must clearly display the appropriate visitor pass.

7. EMERGENCIES AT CAMP

In case an emergency should arise within your group while in camp, Stay Calm, Act Quickly but Safely and notify the Camp Director/Staff IMMEDIATELY. Emergency plans will be reviewed in detail with each leader upon arrival. An emergency report must be filed with the camp staff before you depart camp. In the event of a home emergency and a parent wishes to contact his/her Scout at camp, they may do so by contacting the camp office. All Massachusetts General Law for Children's Camps and the policies of the BSA are in force whether listed within this guide or not. You may reference the Guide to Safe Scouting for answers to many common questions.

PLEASE REVIEW THE EMERGENCY PROCEDURES WITH THE CAMP UPON ARRIVAL AS THESE MAY CHANGE

Emergency:

In the event of an emergency, a siren will sound. Report any emergencies to the Camp Director, Staff and/or Health Officer immediately.

Fire:

Send two runners immediately to the camp office with the following information:

- ☐ The location of the fire.
- ☐ The type of fire.
- ☐ The severity of the fire.
- ☐ What type, if any, personal injury has occurred.

Lost Swimmer:

The waterfront will be cleared immediately. Some adults may be requested to assist. At the sound of the LBD (Lost Bathers Drill) alarm, all Scouts, and unit leaders will report to their campsite where attendance will be taken by the unit leader. The unit leader will notify the camp office immediately, by runner or cell phone, of any missing personnel. The camp office will continue the LBD alarm until such time as the missing swimmer is located.

Lost Camper:

The unit leader will report any suspected lost camper to the camp office. The camp staff will then institute the appropriate search procedures.

Extreme Heat:

In the case of extreme heat, the camp administration will declare a heat alert and program activities will be adjusted accordingly. Unit leaders and Scouts are reminded to watch for symptoms of heat exhaustion and sunstroke. Watch especially for Scouts wearing inappropriate clothing and/or not taking in adequate amounts of fluid. Younger campers especially will view sports drinks and soda as a way to stay hydrated. Both have large amounts of sugar and/or sodium which will act in the opposite manner. Please ensure that the scouts

are drinking water.

Lightning or Severe Storms:

The waterfront will be cleared immediately. All watercraft will return to shore. Scouts will report to their campsites unless otherwise instructed by a staff member. Avoid open fields. Any other needed instructions will be issued by the camp office.

Natural Disaster (Earthquake, Flood, Etc.):

In the event of a natural disaster all Scouts and adults should remain in the activity area they are in or go to the nearest campsite and await instructions from a staff member. If this is the area that is affected, then all personnel should move to the nearest safe area and await instructions.

Wildlife:

Campers, staff and visitors are cautioned to avoid contact with wildlife at the camps at all times. Any injury caused by contact with wildlife must be reported to the Camp Health Officer as soon as possible. The Camp Health Officer will notify the camp office and the necessary local authorities as required.

Chemical Spill:

In the event of a chemical or hazardous waste spill, a person should be stationed to keep all campers or visitors away from the spill and the camp office must be notified by runners or cell phone.

Camper Injury:

All serious medical emergencies will be treated at the local hospital and parents/guardians will be notified immediately by the Camp Director or their representative of all details as they become available. In order to reduce miscommunication of information, we do ask that leaders carrying cellular phones do not notify parents of accidents without authorization from the Camp Director or their designee. It is of great importance that each camp leader understands this and passes this information along, not only to the parents, but also to the Scouts as well. In the event of a major accident or death, the camp administration is to be notified immediately by reporting the accident to the camp office by runner or cell phone.

8. COUNSELOR IN TRAINING PROGRAM (CIT)

The CIT program is a training program to introduce Scouts to the responsibility of assisting the summer camp staff. The training consists of a rotational assignment throughout the camp. This offers each Scout a chance to experience the daily responsibilities of each program area in camp. CIT's will rotate through most of the program areas including aquatics, activities, handicraft, sports, ranges, provisional, and first year camper. While in each area CIT's assist in all program functions of that area, which includes assisting in merit badge classes and with afternoon activities. This experience will help each Scout gain not only teaching and leadership experience, but also self-confidence. CIT's who have already completed NYLT are encouraged to plan three weeks of program rotation. CIT weeks can be completed at Camp Resolute and/or Camp Squanto. Regular evaluations will take place as well as regular reviews with the CIT Director.

CIT Candidates must:

- ☐ Be 14 or 15 years by June 23, 2022 AND be a registered member of the Scouts BSA or Venturing.
- ☐ Fill out an application (on our website) and be interviewed. Interviews begin during February school vacation. CIT Candidates cannot register until after an interview and the candidate is informed of acceptance into the program.
- ☐ Attend part of Staff Training Week which is usually the week before camp starts and attend three weeks as a CIT. A week with your troop does not count as a CIT week.
- ☐ Once approved you will be sent a registration link to register and pay (There is a \$40 discount if

registration is paid by 5/15/21). This fee includes staff training and the three additional weeks.

☐ Plan your own advancement and Merit badge work with the CIT Director each week. CIT's may receive credit for ONE merit badge per week.

☐ All CIT's are required to have the official BSA uniform and will be provided two staff tee shirts to wear while in camp. Your personal conduct at camp must uphold the ideals of the Boy Scout Oath and Law.

9. SAFETY & SANITATION

Showers:

A Scout is Clean! Unit leaders are asked to ensure that your Scouts take frequent showers for personal hygiene and out of respect for others. For the same reason, plus to teach by example, leaders should follow the same practice. Help us conserve water by limiting the length of showers. We also recommend that campers and leaders wash their hands before each meal. Troops must provide adult supervision for their campers when they are utilizing the campers' shower house without intruding on the camper's privacy. Troops are asked to help us keep the shower house clean by participating in a rotating schedule of cleaning.

The Camper shower houses (for under 18 years old only) and Adult shower house (with separate male and female units as well as handicapped access units) are available each day from 6:00 AM to 10:00 PM.

Latrines:

Troops are responsible for the daily cleaning of their latrine and sink. Latrine cleaning supplies and toilet paper are available from the Quartermaster Store or ask staff for help.

Laundry:

Laundry services are available at laundromats outside of camp for emergency needs.

10. OUTDOOR FIRE POLICY

The purpose of the Outdoor Fire Policy stated below is to limit the size of all outdoor fires used in conjunction with BSA related program elements on properties owned and operated by the Mayflower Council, Boy Scouts of America. The Camp Director has the right to restrict the use of fires on the property for whatever reason deemed appropriate.

The rationale for this policy is summarized as follows;

☐ To protect the health and safety of all Scouts, Scouters and visitors participating in programs requiring the use of a fire or fires on the aforementioned properties.

☐ To reduce the risk of damage to the property as well as the properties of our abutting neighbors and the associated liability resulting from such damage.

☐ To conform to state fire regulations as they pertain to outdoor fires.

☐ To conform to all EPA and OSHA regulations as pertaining to outdoor burning and incineration of materials that may be considered hazardous.

Fire Lay:

No fire lay in excess of 6' in diameter and 5' in height will be permitted on properties owned and operated by the Mayflower Council, BSA.

Combustibles:

All combustibles used in construction of any fire lay for use with Scouting related program element will be natural and clean. Combustibles that have been contaminated by paint, solvents, creosote or other preservative chemicals may not be used.

Fire Starters/Accelerates:

In accordance with BSA policy, the use of liquid or chemical fuels to start or accelerate any fire is prohibited.

11. FUEL STORAGE

Flammable liquids and liquid fuel containers must be stored in our storage facility when not being used. Propane containers which are not connected to a stove or lantern must be in our storage facility. All fuels devices, lanterns, stoves, etc., must be operated by adults or under adult supervision.

Fires, Cooking, Liquid Fuels & Lanterns

☒ Use of compressed, or liquid gas stoves or lanterns is permitted with knowledgeable adult supervision, in facilities only when and where permitted, and in accordance with the Guide to Safe Scouting. No tank 10 pounds or larger may be brought into any building. (Mass state fire code).

☒ NO burning flames or lanterns in tents or lean-tos. Only use flashlights for illumination.

☒ Fires [properly supervised] are allowed in cabins with wood stoves. NO charcoal or coal is to be burned in wood stoves.

☒ NO standing trees are to be cut. No firewood is to be brought onto any camp property. Firewood is available at camps for an optional donation.

☒ Fires must be supervised at all times and when leaving the site, make sure all fires are “dead out”.

☒ Self-contained cooking fires must be put in fire facilities provided by the camp. Altering, redesigning, relocating or adding any fire pit in camp is NOT allowed.

☒ Fuel, matches, etc., should be handled by adults only.

☒ Adequate fire control (water, sand, etc.) should be present at all times.

12. OUTDOOR SAFETY

With the safety of campers, leaders and staff in mind, a few areas have been identified as concerns in terms of wildlife in camp. A number of measures can be taken to prevent both injury and disease that may result in contact with wildlife in camp.

Awareness:

Scouts and their leaders should be aware of the potential hazards that exposure to wild animals and insects may bring. Prevention and awareness are the keys to a safe camp experience.

Wild Animals:

Wild Animals such as skunks, raccoons and foxes potentially represent possibility of either injury or rabies. In the event of direct contact, particularly a scratch or bite, the Health Officer should be notified immediately. The best possible plan involves prevention of exposure to reduce risk.

Preventative measures include:

☒ Hike only on designated trails.

☒ Maintain a clean campsite.

☒ Store food and smellables properly.

☒ Maintain a distance from animals that may be encountered.

☒ Avoid feeding of animals (intentional or not).

☒ Avoid direct contact with animals, including new offspring.

☒ Any sightings that are recurring should be reported to the unit leadership and administration. This is especially of true nocturnal animals, sighted during the day, which seem to be exhibiting any behavior that may be deemed unusual.

Insects:

Insects also present the possibility of personal injury but also disease: mosquitoes and ticks present the largest threat. Measures of prevention include regular application of insect repellent and the appropriate clothing being worn on hikes and activities in heavily wooded areas. Both tick and mosquito bites have the potential of transmitting disease to people. While prevention is preferable, insect bites may be unavoidable in certain situations. Any questionable amounts of mosquito bites and embedded ticks should be referred to the Health Officer.

IMPORTANT:

At the request of the Department of Public Health our website has fact sheets on Meningococcal disease along with CDC EEE info, CDC Tick info and CDC Camping Health & Safety. Campers attending a resident camp are not considered to be at an increased risk. The United States Centers for Disease Control, Massachusetts Department of Public Health and the Mayflower Council encourage everyone to be safe outdoors. Diseases associated with ticks and mosquitoes are growing threats in Massachusetts. When outdoors, please take necessary precautions as suggested by the Centers for Disease Control

13. WATERFRONT POLICIES

Orientation:

All staff, campers and leaders must attend a waterfront orientation at the waterfront at the beginning of camp where the waterfront staff presents the rules and policies of the waterfront, including what to do during an emergency in camp.

Swim Tests:

All campers are given a swim test as part of camp check in to check their swimming ability. There are three swimming levels on the waterfront. At the end of each test the swimmer is given a tag that indicates their level. The tag has their name, campsite, scout unit number, and the week they are attending camp.

- The **non-swimmer** ability group is the lowest level. The test is conducted by having a guard supervise the camper walking in the area indicated non-swimmer to wet their ankles and legs.
- The **beginners** test starts by have a supervised swimmer jump into water that is over their head, level off and then swim 25 ft., turn around in the water and swim back to their starting position.
- The next and highest level is **swimmer**. The tester is supervised jumping into water that is over their head, leveling off, they will then swim 100 yds. Of that 100 yds, 75 yds. will be swam using a strong front stroke such as, the front crawl, breaststroke, side stroke, and the trudgen. Strokes such as the doggy paddle and butterfly are not accepted. The tester will then swim the remaining 25 yds on their back using the elementary backstroke, which is the only stroke acceptable for this part of the test. The tester will then float on their back for 30 seconds.

Using the waterfront:

All individuals wishing to enter the waterfront must present their tag in order to enter the waterfront. All individuals must have at least one buddy with them. No one is allowed to enter any area, non-swimmers, beginners, or swimmers without a tag and a buddy. Staff however can partner camper with a current swimmer, as long as the board is changed to indicate the buddy switch has been made and both parties understand that they are now buddies. Swimmers may not leave the waterfront swimming area without their tag and buddy. All tags when not in use are stored on the waterfront *out board*.

Flotation Device:

Non-swimmers are required to wear a properly sized PFD which is checked for proper fit by the waterfront staff. Waterfront staff are trained on proper fit and tightness by lifting and snugging the straps. Non swimmers are allowed to bring their own PFDs to wear if they are deemed safe by the waterfront staff. The camper owned PFDs are labeled and hung in an area where only that individual will use it. Any PFD rejected by the waterfront staff may be substituted with a camp PFD.

AT **NO TIME** should anyone be in the water or on the docks alone or without permission.

Fishing:

Fishing is permitted in designated areas only.

Christian's Law:

In accordance with Massachusetts Law, our Camps screen campers for swim levels on the first day of camp and provides Coast Guard approved lifejackets for non-swimmers. You must inform the camp if you require your camper to wear a lifejacket during swimming activities. If parents wish to send along their own lifejackets they need to conform with the law as stated below.

Note: Campers are screened in our pond and don't wear a lifejacket during the screening.

(a) MGL c 111 Section 127A1/2. (a) The department of public health shall adopt rules or regulations requiring municipal and recreational programs and camps for minor children under its jurisdiction to have a system in place to have Coast Guard approved personal flotation devices of Type I, II or III available to non-swimmers and at-risk swimmers who will be present in a swimming or diving area, excluding swimming pools, wading pools and other artificial bodies of water.

(b) A determination shall be made of each minor's swimming ability at the first swimming session at municipal and recreational programs and camps in order to identify and classify non-swimmers and at-risk swimmers. Minors attending a municipal or recreational program or camp shall then be confined to swimming areas consistent with the limits of their swimming skills or to swimming areas requiring lesser skills than those for which they have been classified.

(c) No municipal or recreational program or camp for minor children shall refuse, decline or otherwise prohibit a parent, guardian or person with custody of a minor from providing a Coast Guard approved personal flotation device of Type I, II or III to such municipal or recreational program or camp to be used by the minor for the duration of the minor's attendance at such camp.

14. HEALTH & MEDICAL

Our primary concern is the safety and well-being of every camper. Mayflower BSA camps follow all safety and risk management guidelines set by the Boy Scouts of America, as well as, the local, state and boards of health. As required by MA DPH 105 CMR 430:190 (C) and (D), our camps must comply with regulations of the Massachusetts Department of Public Health and be licensed by the local boards of health. Leaders and parents may request copies of background check, health care and discipline policies, as well as procedures for filing grievances. Both Camp Resolute and Camp Squanto are certified by the BSA National Camp Accreditation Program.

Camp Resolute is also accredited by the American Camp Association, a national camp organization that sets high standards for both the health and safety of campers and staff, and the delivery of quality programs. American Camp Association (ACA) accreditation means that Camp Resolute undergoes a thorough annual review of its operation—more than 250 standards from staff qualifications and training to emergency management. ACA collaborates with experts from the American Academy of Pediatrics, the American Red Cross and other youth service agencies to assure that current practices reflect the most up-to-date, research-

based standards in camp operation.

Medical Forms

Every adult and Scout in camp MUST have a completely filled out and doctor signed BSA medical form on file in the Health Lodge in order to stay at camp.

All campers are required to have a physical examination within 12 months prior to arriving at camp. All BSA medical forms must be completed and *signed by a physician* each year (including immunization update) and submitted via CampDoc in advance. In addition, the immunization record for each camper, youth or adult, must include the following vaccines: Hepatitis B for all children born after December 31, 1992 (3 doses are required); Diphtheria, Tetanus Toxoids and Pertussis (at least 4 doses); MMR (2 doses or proof of laboratory evidence of immunity) and Polio (3 to 4 doses depending on the type).

Your physician **MUST** sign the BSA medical form – no signed attachments will be accepted. Make certain that both the parent's signature and physician's signature sections are filled out and a copy of the health insurance card is attached to the form. Medical forms are available on our website and at the end of this guide.

All medical forms must be retained by camp and will not be returned, so please make any copies you might need for other activities. Units with Christian Scientist members will need to provide a special medical form, (available on our website), pertaining to their faith's medical policies.

Medications:

State regulations cover the storage and dispensing of medications. All medication must come to camp in the original containers and be stored by the health officer in locked compartments in the camp health lodge. Exceptions to storage by the health officer are authorized for medications for treatment of allergies and asthma. Questions about these medications should be raised with the camp prior to the child's arrival. To ensure a smooth transition, we recommend that your child continue the medications they need during the school year at summer camp.

If the medication is prescription, it must have a pharmacy label showing the prescription number, patient's name, date filled, physician's name, name of medication and directions for use. This information must also be on the camp medical form. Any camper coming to camp with a prescription Epi-pen or inhaler must bring two of either, one for the health lodge and one for the unit. The health officer dispenses medication according to the directions. If a camper refuses to take prescribed medications, this refusal is documented in the health log and the parent/guardian is notified. Campers should not keep any medication, over the counter or prescription, themselves unless approved by the Health Officer.

Health Care Consultant:

The health care consultant (HCC) is a licensed physician. The HCC assists in the development of the camp's health care policy; develops and signs written orders for the Health Officer; and is available for consultation at all times. The health care consultant is not present at camp.

Health Officer:

A Health Officer, who is at least 18 years of age and is present at the camp at all times. The Health Officer shall be a Massachusetts licensed physician, physician assistant, nurse practitioner, registered nurse, EMT or licensed practical nurse. The Health Care Consultant authorizes the Health Officer to be in charge of health matters at camp on a day-to-day basis and to dispense medications. A Health Officer staffs the camps health lodges and a local physician is on call.

Health Care Policy:

Complete health care policy for our Camps is available to a parent or guardian upon request to Mayflower Council BSA, 83 Cedar Street, Milford, MA 01757.

Care of Mildly Ill Campers:

Each camper or staff member is responsible for reporting any signs of illness to the health officer (HO), who assesses each situation. The HO may administer over-the-counter medications he/she believes are warranted if they are authorized by the HCC standing orders and the parent/guardian. If the HO determines the camper should be sent home or seen by the Health Care Consultant, he/she informs the Camp Director and arrangements are made. In both situations, the parent/guardian is contacted as soon as possible.

Care of More Serious Illness or Injury at Camp:

Parents/guardians will be notified as soon as possible should a camper be taken to the doctor's office/hospital for an injury or health condition and if medication has been prescribed by the camp's Health Care Consultant. The Health Officer or Camp Director will notify parents/guardians of any persistent conditions or ailments. Parents/guardians should notify their doctor and health care provider of any health condition or accident/injury occurring at camp for follow-up visits and billing purposes.

15. GEORGE W. P. MAGEE THEME NIGHT

Tuesday Evenings troops are encouraged to create entrances designed to reflect the yearly theme and Scouts are encouraged to dress the part. Theme to be announced.

A Brief History:

From the very beginning of the movement, George W. P. Magee saw Scouting as an invaluable program for positively shaping and impacting the lives of young people in Massachusetts communities. He found it so important that he established a Trust Fund upon his death to support the building and maintenance of summer camps in the Massachusetts Councils, such as Mayflower

Council's Camp Squanto and Camp Resolute.

It was George Magee's desire that the Councils who receive this Fund would celebrate his birthday, which is August 6th. Mayflower Council has committed to not only celebrating during his birthday week, but during every week of summer camp.

THIS YEARS THEME IS PIRATES

First Day Opening Campfire:

Units will assemble at 8:15 pm at the parade field for our opening campfire.

Thursday Afternoon Webelos visit:

In an effort to keep Webelos engaged through the crossover and to get them excited about coming to Camp, we are offering a program on Thursday afternoons for Webelos from the Council packs. Any Webelos and parents are welcome to meet on the Welcome Lodge porch at 2 pm on Thursday. The scouts will meet with a staff member who will show them the camp and engage them in a variety of activities in our program areas (no swimming or firearm activities allowed) while Camp Administration meets with the parents to give them an overview of Squanto. The Webelos and parents will have the option to join the troop from their town in the campsite around 4 pm and have dinner in the dining hall before departing around 6 pm. Please reach out to the packs in your town and invite them to join us. It will be great for the up and coming scouts to see older scouts at camp and meet people from the troop.

Thursday Evening Memorial Service

Each Thursday, we will conduct a Scouts Memorial Service and Evening Colors on the Memorial Field prior to dinner. All troops will meet in Class A uniforms at the Memorial Field entrance. At this service we will recognize and remember those scouts and scouters who have contributed to Mayflower Council scouting. We will take roughly 10-15 minutes to allow troops representatives to speak up and present staff members with whom they have connected a class B shirt or some other gift. Feel free to ask Camp Administration any questions about this tradition. This is not a requirement, just an invitation.

Closing ceremonies for the week will begin at 9:30 am on Saturday morning. All families are encouraged to attend.

Camp Squanto Awards:

Each program center presents special awards and certificates during the week for various contests and achievements. Here are some of our current awards.:

- Apache Relay Program Area
- Spot-light Nights
- Camp wide Competitions
- Pebble Program
- Skills Instructions
- Campfires
- Theme Night

New Award: "The BSA developed the STEM Nova Awards program to excite and expand a sense of wonder in our Scouts. At Camp Squanto, the NOVA program is tailored to campers who do not want to work on merit badges in the afternoon, yet want to participate in a fun activity. The afternoon program will generally include viewing STEM movies, participating in a science/technology building project, and testing the build. The NOVA awards we are able to offer are "Shoot", "Splash", "Start your Engine", "Woosh", "Up and Away", or "Designed to Crunch". After completion, the camper will earn their NOVA Award, or if they already have one, they will earn a Pi Device!"

Troop vs. Troop Competitions:

Some evening activities are inter-troop competitions. Prizes are usually awarded the day following the event at one of the meals, at the closing campfire, or the Awards Ceremony on Saturday morning.

Flight to Eagle (first year campers):

Specialty program designed for younger and first year campers that focus on rank advancement, scouting skills, and character building, while emphasizing citizenship, teamwork, leadership, and fun.

The purpose of this program is designed for the first-year camper or new Scout to start the journey of the Eagle Trail and work on the rank requirements for Tenderfoot, Second Class and First Class while at camp.

The ranks of Scouting are not awarded by the camp, this is the function of the unit leader. At the Saturday awards ceremony, we award the Scouts who have completed the week's program with a Flight to Eagle patch. This allows us to recognize the Scout while at the same time leaving the right to declare whether the Scout has earned the rank or not to the Scoutmaster.

Monday-Friday 9 am to noon

During this time scouts participate in activities that meet some of the Tenderfoot, Second Class, and First-class requirements. They also work on Scout skills with the emphasis on having FUN! Each Scout will be encouraged to work on a merit badge. FTE Scouts should work with their scoutmaster to choose other merit badge selections.

Orientation is held at 6:45 pm Sunday night at the Dining Hall Bell Tower

Procedure for intrusion of an unauthorized person at Camp Squanto

Periodic review of security concerns of the site

Leaders will be instructed to “stop in” their campsites throughout the day on a regular basis

The camp staff will be trained in all of the following procedures and are encouraged to walk around camp during program hours to look for intruders.

Taps is at 10:00 pm daily. Under the direction of the “Patrol Staff”, staff will walk through all camp areas looking for anyone or anything out of the ordinary. This will also be done in the parking lot.

Staff taps are at 11:00 pm. Staff can also assist in watching for anything out of the ordinary. The Directors are equipped with phones to call the Administration Building/Camp Director at any time.

Training for staff and campers when appropriate, about steps to take in such instances.

The following steps will be shared with the staff during staff training week, with the leaders during the leader meetings, and Senior Patrol Leaders during their meetings.

All visitors must report to the Administration Building to sign in and sign out. This book will be monitored by the Camp Director or his/her designee.

If an unauthorized person is suspected, notify the closest program area. Most major program areas are equipped with a phone and should contact the Administration Building/Camp Director and stand by to give or receive further instructions from the Camp Director or his/her designee.

Once the Camp Director is notified of the situation, he/she will proceed to the area with the Program Director or another adult to question the destination of the individual in question.

If the person in question flees, an “Incident Report of an Unauthorized Person” form should be completed as soon as possible.

Program areas should continue, unless the situation warrants the sounding of the camp alarm. If an alarm sounds, All Scouters, Scouts, and staff are instructed to report to their campsite and do a roll call.

The Scout Executive is notified of the situation. An assessment is made to the severity of the Problem and call the Plymouth Police, if needed.

Leaders will be instructed to train their Scouts on the above procedures. Most importantly, stress to the Scouts NOT to approach the person and to find an adult immediately. The Buddy System should be strictly enforced at all times.

The staff will participate in an Emergency Drill during staff week. In addition, they will conduct a scenario of an unauthorized person entering camp.

An emergency phone list will be kept by the telephones in the Administration Building, Health Lodge and the Welcome Lodge.

We have a letter from the Plymouth Police on file for service. They usually call the Administration Building if there are problems or concerns in the area. It has been very helpful to have a working relationship with the Police Department.

Lastly, no one should speak to the media. An official media spokesperson will be designated by the Scout Executive.

Summer Camp Food Allergy and Special Diets Protocol

Fresh Picks Café takes food allergies and special dietary restrictions very seriously. Fresh Picks is committed to reducing the risk of food related allergic reactions among those we serve. While we cannot operate or guarantee an “allergen-free” environment, we will inform all consumers known to have allergies of any products we know to contain the allergens. We will also prepare allergen free dishes, as needed. Camps are directly responsible for oversight of campers with food allergies.

Standard Procedures

1. Camps must provide a dietary accommodation request form to Fresh Picks Café at least two weeks prior to the camper arriving at camp. This will provide us with adequate time to plan a separate menu, if needed, and/or procure specialty food items.
 - a. We have provided a copy of our form. If your camp currently has a form in place, we ask that you submit it to our Dietetic Team so they can review and approve use of the form.
2. Specialty menus will be prepared ahead of time by Fresh Picks Café’s lead Registered Dietitian, Frank Gillespie R.D.N., as needed. If allergen or special diet information is not received in a timely manner, this step will not be possible. Frank can be contacted via email at fgillespie@freshpickscafe.com
3. A Fresh Picks Café RDN will contact the parent/guardian of the camper, as needed. For more complicated, multiple food allergies or dietary accommodations, a parent/guardian may be asked to review the altered menu for approval. Parents/guardians may also be asked to provide the camp with specialty food items.
4. All specialty food items will be stored separately and labeled with the specific camper’s name.
5. Specialty food purchases may be billed back to the camp via Direct Billing.
6. Specialty meals will be counted separately on the meal count sheet and at a higher cost per meal.

Food Labels

1. Food labels for any products served on the menu will be saved in a binder, for reference. Labels that are on boxes will need to be removed and saved.
2. Labels will be easily accessible to all campers, camp staff and parents/guardians
3. Food labels that are unavailable will be obtained from Sysco and put into the Food Label binder

Staffing patterns

1. Staffing patterns may be altered at any point during camp season, based on the needs of the campers. These additional costs will be directly billed back to the camp.
2. Staffing patterns will be based on the number of special diets from the prior camp season.

Equipment Needs

1. Allergen free equipment, specifically toaster oven, pans, utensils.
2. Ecolab Allergen equipment.
