ADULT ATTENDANCE

All Packs attending must have a 2:8 ratio of youth to adults. Adults are needed to chaperone their group of Scouts and sometimes might be asked to help in program areas. There is no fee for adults however all adults must pre-register. Adults have the option to purchase extra t-shirts (\$10) and patches (\$3) upon registration. New Tiger Cubs (youth that have just completed kindergarten) are required to have a parent or guardian in attendance, a 1 adult to 1 camper ratio.

Help is always needed! If adults or older Scouts would like to volunteer to help staff this camp please contact the Camp Director listed for that camp on the registration page or individual camp's flyer.
