

MISSP Youth supervision and leadership understanding.

This is not a legally binding agreement and serves only to confirm an understanding of the information shared below.

As the legal guardian of **(Youth Name)**_____ I understand that on occasion during the Mackinac Island Scout Service Program, experienced youth leaders are asked to serve as Staff Members and supervision for youth while participating in various activities or duties on Mackinac Island. While ultimate responsibility rests on adult leadership, there may be an occasion where youth leadership is asked to supervise or be responsible for other youth, both inside and outside of the confines of the fort. This tradition is in place to allow for all youth to maximize their experience on the island.

Please indicate your understanding of this policy by checking the appropriate statement, and signing below:

☐

I accept the above and understand my child may be temporarily under the supervision of youth leadership.

☐

I would prefer that my child remains under the direct care of adult leadership and understand that this may limit their ability to fully participate in some functions of the MISSP Program.
