LEADERS CONFERENCE INFORMATION

- We will need assistance from every unit to run stations and help staff. So sign up for events that you can assist with.
- We are not running a swim check and we are assuming that all participants that are participating in water events have passed their BSA Swim. On all Water events we will be doing a buddy system.
- For almost all events we will have signup sheets, which will be used before and after lunch to schedule participants in events. These sheets will need to be turned in just before dinner hour.
- Units will need to hold on to their own health forms
- Please encourage your scouts to have theme-related costumes and campsite embellishments.

LIST OF EVENTS
