DO NOT BRING TO TRAIL TO EAGLE

Valuables – Jewelry - Knives (unless taking Horsemanship & Wilderness Survival)
Firearms of ANY kind - Bicycle – Fireworks – Mace

TTE has final say on Troop color placement, color choice is a preference. We can't always put friends together.

The Michigan Crossroads Council encourages our campers to dress comfortably while they are at camp. Campers should use their best judgement to dress appropriately and not wear anything that would make other campers feel uncomfortable.

When packing for camp, the following dress code items should be adhered to:

- Clothing should not include profanity or images that do not support the Scout Oath and Law
- Proper undergarments should be worn
- Pants and shorts must completely cover undergarments not allowing exposure of the buttocks • Stay up without the use of hands.
- All shirts must have wide straps or cover the shoulders - no "spaghetti straps" - not be see-through or expose the side of the body.
- Close toe shoes must be worn at all times around camp except in the aquatics area, and shower. At no time should a camper be barefoot anywhere on camp property. Sandals, Flip Flops or Crocks (shower or waterfront use only)
- Swimwear must be modest and appropriate.
- For males, tight fitting swim briefs or swim bottoms short enough to allow for exposure are not allowed - NO speedos
- For females, one-piece swimsuits are appropriate.

TTE is not responsible for any electronics due to damage, theft or lost.

- Report to all TTE meeting and camp check in wearing a complete “Field Uniform”.
