

SEA BASE 2025

SCUBA ADVENTURE

Michigan Crossroads Council is offering the SCUBA High Adventure again for 2025! Join us for a week of SCUBA diving in the fabulous Florida Keys.

Are you looking for the adventure of a lifetime? How about a week of SCUBA Diving on the beautiful coral reefs of the Florida Keys? This adventure offers a close up look at many types of marine life. You will have eleven dives including a night dive. You will also get a chance to dive in a National Marine Sanctuary.

Scouts must be 13 years old by start of the adventure and a certified diver. The Council Contingent will consist of Troops and Crews from the entire Council. Youth protection guidelines will be followed in setting up crews. We are working with several dive instructors to help with certifications.

Each crew will consist of 8 members, there must be at least 2 adults in each crew. The High Adventure Committee has flexibility to place Scouts and Scouters wanting to go to Sea Base into crews that are not filled to capacity. Your Troop or Crew may send as many or as few as you want.

This is a great way for Troops and Crews to be represented at more than one High Adventure Base each year. Your Troop or Crew can now send Scouts and Scouters to Sea Base, Philmont, Summit and Northern Tier the same year!

We are currently planning for 2 crews for August 4, 2025. The estimated cost for the SCUBA Adventure is **estimated at \$2500.00**. This will include round trip airfare, Florida ground transportation, Sea Base fees and much more.
