MB109 Architecture

Architecture is not just the special buildings like cathedrals, museums, or sports stadiums we read about or see on television; it is as normal as the homes, places of worship, schools, and shopping malls where we live, worship, work, learn, and play every day. However, architecture is more than just common shelter; building has always satisfied the human need to create something of meaning. Even the simplest form of architecture is a work of art that requires thought and planning.

MB184 Photography

Beyond capturing family memories, photography offers a chance to be creative. Many photographers use photography to express their creativity, using lighting, composition, depth, color, and content to make their photographs into more than snapshots. Good photographs tell us about a person, a news event, a product, a place, a scientific breakthrough, an endangered animal, or a time in history.

MB185 Pioneering

Pioneering-the knowledge of ropes, knots, and splices along with the ability to build rustic structures by lashing together poles and spars-is among the oldest of Scouting's skills. Practicing rope use and completing projects with lashings also allow Scouts to connect with past generations, ancestors who used many of these skills as they sailed the open seas and lived in America's forests and prairies.

MB189 Public Health

The field of public health deals with maintaining and monitoring the health of communities, and with the detection, cure, and prevention of health risks and diseases. Although public health is generally seen as a community-oriented service, it actually starts with the individual. From a single individual to the family unit to the smallest isolated rural town to the worldwide global community, one person can influence the health of many.

MB190 Public Speaking

A lot happens during the course of every person's life and your ability to communicate your feelings and ideas is the best way to connect to the larger world. Even if you haven't stood at a podium on the stage and find the whole idea scary, sooner or later, someone is going to ask you to get up and say a few words. If you are prepared, it won't be scary. It can even be fun.

Camp Rotary - Summer Training/Awards (Scheduled Classes)

CRTR100 BSA Stand Up Paddleboarding

The BSA Stand Up Paddleboarding award introduces Scouts to the basics of stand up paddleboarding (SUP) on calm water, including skills, equipment, self rescue, and safety precautions. This award also encourages Scouts to develop paddling skills that promote fitness and safe aquatics recreation.

11-12 PM **Days:** Mo Tu We **Room:** Aquatics **Instructor:** Cheryl Burrows

Maximum number of participants: 8

Sessions: Session #1

Prerequisites: This award is available to both youth and adults; must pass the BSA swim test

CRTR102 Introduction to Outdoor Leadership Skills (IOLS)

Introduction to Outdoor Leader Skills (IOLS) training is part of the required basic training for all Scoutmasters and Assistant Scoutmasters. Outdoor skills are critical to the success of the Scouting program, and Introduction to Outdoor Leader Skills will provide leaders with the basic outdoor skills information needed to start a program right. The skills taught are based on the outdoor skills found in The Boy Scout Handbook.

9-5 PM **Days:** Mo Tu We Th Fr **Room:** PATH Pavilion **Instructor:** Cheryl Burrows

Sessions: Session #1

Prerequisites: Participants must attend all of the PATH program plus a supplementary session on Monday night.

NOTE: This training follows the P.A.T.H. program

CRTR105 Mile Swim BSA (2024 version)

The Mile Swim BSA award was introduced in 1961 by the BSA Health and Safety Service. The original purpose of the award was for Scouts to learn to swim a mile safely with ease. It was, and remains, a challenging recognition that contributes to fitness and safety. The last time the award requirements were updated was in 1981 when the purpose shifted from a worthwhile accomplishment promoting both safety and physical fitness to "encourage the development of physical fitness by introducing the youth to swimming as regular exercise." Four hours of required training before swimming the mile was added as a requirement.

Drawing from feedback gathered from BSA Aquatics personnel at camps nationwide, the revised Mile Swim BSA award is refocusing on enhancing swimming stroke effectiveness and efficiency, particularly for individuals seeking improvement. Most Scouts who can walk or bike on level ground for an hour or so without stopping will likely have enough stamina to swim a mile and there are numerous other Scouts BSA programs that promote and develop regular exercise. The Mile Swim BSA award purpose is to build confidence and improve water competency.

CRTR106 Paddle Craft Safety

Float trips are popular Boy Scout, Venturing, and Sea Scout activities. Safety Afloat awareness training provides guidelines for safe float trips and is required of unit leaders, but does not provide the skill training mandated by those guidelines. BSA Paddle Craft Safety expands Safety Afloat training to include the skills, as well as the knowledge, needed for a unit leader to confidently supervise canoeing or kayaking excursions on flat water. Persons completing the training should be better able to access their preparation to supervise paddle craft activities. The training is open to any registered adult leader, Scout, Venturer, Sea Scout, or Explorer who is age 16 or older. The training must be conducted by a council approved instructor, takes roughly eight hours and is valid for three years.

CLIP INTO
ADVENTURE

CRTR107 Project Cope

Open to both older Scouts AND adult leaders, COPE is an acronym for Challenging Outdoor Personal Experience. It comprises a series of outdoor challenges, beginning with basic group initiative games and progressing to more complicated low-course and high-course activities. Some of these events involve a group effort, whereas others test individual skills and agility. Participants climb, swing, balance, and jump, as well as think through solutions to a variety of challenges. Most participants find that they can do much more than they initially thought that they could.

Project COPE is an exciting outdoor activity that can attract and keep older Scouts involved in the Scouting program. It is designed to meet the needs of today's youth who are seeking greater physical and mental challenges. The underlying goals of a Project COPE course are consistent with the methods of Scouting. Group activities are ideal for emphasizing the patrol method and developing leadership. Individual activities help promote personal growth. Participation is entirely voluntary.

CRTR109 Swimming and Water Rescue

Training for BSA Swimming & Water Rescue provides BSA leaders with information and skills to prevent, recognize, and respond to swimming emergencies during unit swimming activities. It expands the awareness instruction provided by Safe Swim Defense training. Persons completing the training should be better able to assess their preparation to supervise unit swimming events. The BSA recommends that at least one person with this training is present to assist with supervision whenever a unit swims at a location that does not provide lifeguards. This training is open to any registered adult leader, Scout, Venturer, or Explorer who is age 16 or older. A council approved instructor must directly supervise all training. The course takes approximately eight hours and is valid for three years.

Camp Rotary - PATH (Scheduled Classes)

PATH4 PATH Program

PATH (Primary Abilities Training Huddle) is a special program designed for your 1st year campers who have not yet reached the rank of 1st Class. PATH Scouts visit most every program area at camp as they work on the "skill instruction" requirements for their Tenderfoot, 2nd & 1st Class ranks. PATH Scouts also take part in a special overnight camp-out, where they cook their own meals, and enjoy an evening campfire program. They will earn the Fingerprinting Merit Badge as part of their PATH experience. PATH Scouts are encouraged to bring their own tent, backpack, and an adult leader or two who can assist with the PATH program. The PATH program is available to Scouts to use as they need.

Scouts can take part in all of the PATH program or just the parts they need to advance.

PATH provides your Scouts with the skill instruction needed to be tested by your unit's adult leadership - our staff does not sign-off on advancement. Adult participation is required for your Scouts to receive the maximum benefit from PATH.

Adults that attend the PATH program for the whole week will receive their Introduction to Outdoor Leadership Skills (IOLS) training.

9-9 PM

Days: Mo Tu We Th Fr **Room:** PATH Pavilion **Instructor:** Cheryl Burrows

Sessions: Session #1

Prerequisites: NOTE TO UNIT LEADERS: Please be advised that the Camp Rotary PATH Staff will provide your PATH scouts with the skill instruction as required by the rank advancement standard. It is the responsibility of the adult unit leadership to determine if the Scout has mastered proficiency in the skill being tested for rank advancement. The PATH Staff does not sign-off on rank requirements.

If your Unit is sending Scouts to the PATH Program, your Unit is required to provide adult leadership at PATH while your Unit is present.
