

WILDERNESS FIRST AID TRAINING

ONLY 40 SPOTS AVAILABLE!

ECSI Wilderness First Aid training provides 2 year certification for the prevention, assessment, and treatment for an ill or injured person in a remote environment where definitive care is more than an hour away. Each High Adventure crew is required to have one to three persons certified in Wilderness First Aid. Current CPR certification prior to the course is required.

CAMP TEETONKAH
2 DATES TO CHOOSE FROM!
APRIL 25 & JUNE 13

**DUNDEE SPORTSMAN'S
CLUB**
OCTOBER 10

These classes requires completion of an online ECSI Navigate class (separate cost about \$30) before the live skills class. The link to this course will be provided when you register.

Bring the certificate from successfully completing the class.

WFA REGISTRATION:
\$75
