The Art Merit Badge Day is a hands-on event designed to help Scouts complete most (if not all) of the requirements for the Art merit badge in a single session.

Since art can get messy and the requirements are specific, Scouts should arrive prepared:

The Blue Card: Signed by the Scoutmaster.
Wear "Art Clothes": Class B uniforms or old t-shirts (don't ruin the Class A with permanent ink!).

Scouts will not only take home the art they create, but also the supplies that they will use!
