

ELECTRIC VEHICLE (EV) CHARGING POLICY

Limited electric vehicle (EV) charging is available at select Michigan Crossroads Council, Inc. properties. If you need to charge an EV while at camp, arrangements must be made with the Camp Director at least **two weeks in advance**, and you must complete an **EV Charging Agreement and Hold Harmless Form** as part of the approval process. Due to infrastructure limitations, charging spots are **extremely limited** and are available strictly on a first come, first served basis. There is a **\$20 fee per charge***, payable prior to or at the time of charging, as directed by the Camp Director.

Charging of vehicles is not available at camps that are not specifically set up for EV charging. Guests are strongly encouraged to research public charging stations near camp prior to arrival in case on-site charging is not possible. Charging stations within driving distance of camp can be found at www.plugshare.com.

Guests or staff intending to charge a vehicle must supply their own appropriate adapter to connect to a standard 120V outlet. **Charging is only permitted in designated EV charging areas, as applicable.** The use of extension cords or connections to outlets located in camp buildings, campsites, or other non-designated areas is **strictly prohibited**. Any violation of this policy may result in removal from camp property without refund.

E-bikes and similar electric devices may not be charged inside any camp buildings due to fire safety concerns. Designated outdoor charging areas must be used if charging is necessary.

Please be advised that EV charging may not be available due to unforeseen operational or environmental circumstances, and the Michigan Crossroads Council cannot guarantee access to charging at all times.

The Michigan Crossroads Council is not responsible or liable for any damage to your vehicle resulting from the use of our charging station or facilities.

** EV charging fee is subject to change based on market rates for electricity and operational costs*

ELECTRIC VEHICLE (EV) CHARGING AGREEMENT & HOLD HARMLESS FORM

Participant Information

Name: _____

Unit #: _____

Email: _____

Phone: _____

Vehicle Make/Model: _____

License Plate: _____

Camp: _____

Campsite: _____

Agreement Terms

1. I request permission to charge my electric vehicle (EV) at the designated charging station(s) located on Michigan Crossroads Council, Inc. property.
2. I understand that **charging is only permitted in designated areas**, and the use of extension cords or outlets outside these areas, including inside buildings or campsites, is strictly prohibited.
3. I acknowledge that charging is available **on a first-come, first-served basis** and must be arranged with the Camp Director **at least two weeks prior to arrival**.
4. I agree to pay a **\$20 fee per charge**, as directed by the Camp Director. *This fee is subject to change based on market rates for electricity and operational costs.*
5. I will provide the appropriate adapter to connect my vehicle to the charging station. Michigan Crossroads Council, Inc. is not responsible for providing adapters.
6. I understand that EV charging **may not be available due to unforeseen circumstances** (e.g., weather, equipment malfunction, or other operational limitations).
7. I acknowledge that **e-bikes and similar devices cannot be charged inside buildings**, and I will follow all posted instructions and staff guidance regarding charging.

Hold Harmless

In consideration of being permitted to charge my vehicle at Michigan Crossroads Council, Inc. property, I hereby release, indemnify, and hold harmless Michigan Crossroads Council, Inc., its officers, employees, agents, and volunteers from any and all liability, claims, damages, or losses arising from or related to the use of EV charging stations, including but not limited to damage to my vehicle or electrical system.

I have read, understand, and agree to abide by all EV charging policies and procedures established by Michigan Crossroads Council, Inc.
