

AOL/WEBELOS AQUANAUT

ADVENTURE NIGHT

MAKE A SPLASH. BUILD SKILLS. EARN ADVENTURE!

Make a splash with your fellow Webelos and Arrow of Light Scouts during an exciting evening of swimming, fun, and advancement! This event is designed to help Scouts complete many of the requirements for the **Aquanaut Adventure** while learning important water safety skills and building confidence in and around the water.

Experienced instructors and volunteers will guide Scouts through hands-on activities that emphasize safe swimming practices, basic water rescue concepts, and aquatic skills in a fun, supportive environment.

This is a great opportunity to work toward advancement, enjoy time with your den, and experience the excitement of Scouting in the water!

**SAVE
THE DATE!**
