Smoking, Chewing Tobacco, and Vaping

We encourage leaders to take one additional step toward setting a good example for the youth of our council. Please take a weekend break from the use of all tobacco and vaping products. Young minds are impressionable, and Scouting youth frequently look to their leaders as role models.

Youth Protection

Scouting America has adopted and implemented policies for the safety and well-being of its members – youth and adults. Following these policies and ensuring the Rendezvous is a safe environment, the following policies will be enforced:

- All adults accompanying a Scouting Unit and Volunteering to Staff activities must be current with Safeguarding Youth Training. (<https://scouting.org/training/youth-protection/>)
- Scouting's Barriers to Abuse will be adhered to such as two-deep Leadership, no bullying, harassment and cyberbullying are prohibited. (<https://www.scouting.org/health-safety/gss/>)
- Safeguarding Youth Training is free online, you do not need to be registered with BSA to complete the course, and SYT certification is valid for 1 year.

<https://www.scouting.org/health-and-safety/gss/>

Health Forms

An Annual Health and Medical Record is required for all youth and adult participants in a Scouting activity such as the Rendezvous. Leaders should keep their unit's health forms on-site with their unit. The information will provide helpful information to the onsite medical team in the event of an illness or injury while also providing emergency contact information. The information contained is respected and treated as confidential.

All 2026 Rendezvous participants must complete **Part A and Part B** of the Personal Health and Annual Health and Medical Record. The form can be found at: <https://michiganscouting.org/new-bsa-medical-form/>

Parking

Parking will be at the assigned barracks. Others will be directed to parking upon arrival at Camp Grayling

Housing Information

All participants will sleep in assigned barracks. The Guide to Safe Scouting does allow mixed sleeping arrangements if necessary. Units will be assigned areas together with adults and Scouts sharing space. Participants may wish to bring sheets to tent in their bunks for additional privacy.

Restroom Facilities and Showers

Each barrack has restroom facilities. Due to facilities, restrooms will be assigned by gender. Adults and Youth restrooms will be assigned or will have hours for youth and adults. Each barrack is set up differently, so participants will be briefed upon check-in.

Access to Electricity

Electricity is available in the barracks. Please use proper multi-outlet surge protectors and do not daisy-chain extension cords.

Care of Valuables

Each Troop should make arrangements for the safe storage of members' valuables. Do not wear or carry any more valuables than necessary with you while out on Rendezvous 2026 activities. We cannot be responsible for lost or stolen items. However, there will be a Lost and Found area at the Event Headquarters (HQ). If items are lost, please check the Event HQ before leaving Rendezvous 2026.

Policing of Grounds

One of the big problems in connection with the operation of the scope of Rendezvous 2026 is maintaining orderly and neat conditions in heavily used areas. All Scouts and leaders are asked to see that all trash is deposited in the containers provided. Consistent leadership in this regard will help prevent a major problem. Every Scout and leader should make it a practice and a tradition not to pass by trash—pick it up and put it in the proper container.

On Sunday, units will be expected to clean their barrack space per the guidelines set by the National Guard. We will share these guidelines at check-in.

General Information

Uniforms

Cub Scouts, Scout BSA, Venturers, Sea Scouts and their leaders are encouraged to wear the Scout Activity Uniform (Scout T-shirt and Scout Pants).

Note: Participate in challenge courses in clothes that can get dirty and possibly stained. Several courses will result in participants getting wet and/or muddy.

Trading Post

The MCC Scout Shop will offer general Scouting goods as well as Rendezvous 2026 branded items on-site during the event.

Patch Trading

Patch trading is allowed and encouraged throughout Rendezvous 2026.

Golf Carts

Golf Carts are for **staff use only**. Except in emergencies, participants may not ride in or on golf carts or Gators.

Order of the Arrow Service Corps

Order of the Arrow members of Mishigami Lodge #29 (<https://mishigami.org/>) will be on-site throughout Rendezvous 2026. All OA Service Corps members should always wear their Sash during the event for additional identification.

Order of the Arrow Service Corps members will sleep in the barracks and eat in the mess hall.

Lost and Found

A lost-and-found department will be located near Rendezvous 2026 Event Headquarters. People seeking lost articles should report to the lost-and-found area and fill out an identification card describing the missing item. To prevent the loss of valuables, everyone should mark uniforms and personal equipment with their name, home address, and phone number.

Photo Releases

The Michigan Crossroads Council (MCC) would like to use photos and videos taken during the Rendezvous 2026 for promotional and marketing purposes. Photographs will be used only in MCC print and electronic materials, such as brochures, flyers, presentation slides, and the website.

The MCC respects the privacy of all our Scouts; therefore, we will not publish names when using photographs in printed and electronic media.

Photo Release forms are Part A of the BSA Health Form required for any Scouting activity.

Friday Night Events

See schedule for timing and locations.

Opening Ceremony

The opening ceremony will be held at 9:00 AM on Saturday at the parade field east. Each Scout unit should designate two flag bearers for the ceremony. One for the unit's flag and one for the unit's country flag.

Saturday Night Show

The Show will begin at 7:00 pm on Saturday night. There is no formal "march" to the show.

Note: Please be advised that we will be sitting on the ground. Stadium seats or ground cloths that do not raise your body above ground level are permitted. For those attending who would like to use chairs, you will be

asked to sit in the back so as not to obstruct anyone's view. We do suggest that you dress for the weather and that you plan to bring water to keep yourself hydrated.
