

CAMP ROTARY OKPIK

EQUIPMENT LIST

Note: there are 3 different okpik levels. Listed below are the **required items to bring** based on the individual level you are registered for.

***All scouts should have the 10 essential items, including a mess kit for eating outdoor meals*.**

Level 2- you will be sleeping inside the 1st night, and outside the 2nd night

Level 3- you will be outside the whole weekend

Sleeping bag rated for winter camping.

Insulated ground pad (closed cell preferred)

2-3 pairs of mittens or gloves (outer pair with string and liners are advised)

1-2 Winter hats (stocking cap)

Winter jacket, preferably with hood

Snow pants

1-2 pair Long underwear (polypropylene, polyester, or wool)

2-3 pairs of socks (keep 1 pair in your daypack)

2 pair pants, preferably wool or insulated snow pants-**no cotton jeans or pants are allowed!**

Sweaters and/or shirts (preferably wool)

Winter boot (**you will not be allowed to stay in camp without winter boots**).

Mug for hot beverages (preferably with a lid)

Water bottle

silverware

mess kit (this will only be used for outdoor meals)

small folding stool or pad to sit on

Completed and signed health form -part A, B1, and B2 are required (you will get your health form back).

Level 3 only-tent or simple shelter

Ten essentials: pocket knife, first aid kit, extra clothing, rain gear (waterproof), water bottle, flashlight & batteries, trail food, matches and fired starters, sun protection, map and compass

Optional:

I highly advise you bring some sort of shoe traction for navigating the camp property (crampons, yaktrax, etc.)

The camp does not lay salt in the parking lot or on the trails.

Insulated vest, gaiters, balaclava, sunglasses personal items (lip balm, toothbrush, etc.)

Snow shoes

Cross country skis
