

SOLAR ECLIPSE

Celestial Event

APRIL 8, 2024

A celestial phenomenon is about to grace the skies once again, captivating the hearts of Scouts across the nation. On Monday, April 8, 2024, a total solar eclipse will cast its shadow, offering a unique spectacle that won't be seen again until 2044. In the spirit of exploration and learning, Scouts have the opportunity to earn the coveted 2024 Solar Eclipse Emblem, a glowing testament to their curiosity and dedication. Let's embark on a journey to discover how Scouts can prepare for and commemorate this extraordinary event.

**Requirements on how to earn the emblem can be found
on the twinvalleybsa.org website.**
