**4-296-24**  
*Staff!*

## Thank you

Thank you for answering the call to serve your fellow Scouters as staff of Central Minnesota Council's Wood Badge Course 4-296-24.

You are part of an exceptional staff that I am confident will present the best Wood Badge course ever!

I am so excited for the course and appreciate your commitment.

## Recruit!

Our goal for 4-296-24 is a Full Course, 48 participants. Please begin to look around your units and at adults at Scouting events for potential participants and start the conversation.

It is required of all Wood Badge courses to have 30 paid participants by 30 days before the course, which for us is August 28th. It is often called "30 by 30" for short. Let's not spend our summer worried about this, let's hit 30 by **June!**

We can do this!!

~~30 by 30~~

**30 by June**
