

MARIO CHALLENGE

SCOUTS BSA FALL CAMPOREE

**September 19-21, 2025
Parker Scout Reservation**

Scouts BSA welcome to the Mario Challenge! Your patrol will embark on an epic adventure, following in the footsteps of the brave pioneers (kids from the 80's/90's) who journeyed to a friends to play-all while pulling your "Mario Cart" full of power-ups.

You and your patrol will face a series of thrilling challenges and stations along the challenge, testing your skills, teamwork, and resourcefulness. Each station will represent an aspect of something game/Mario related - from fire building, water crossing to ghost and duck hunting and cooking. You'll need to work together to overcome these challenges and make your way safely to the challenge end to save Peach.

But beware, Scouts! You may encounter unforeseen obstacles on the way and could lose your hard-earned Power-Ups and Coins. You'll need to be vigilant, resourceful, and quick on your feet to complete the challenge.

You can earn, buy, and trade items throughout the day at the "Mario Store". The more coins and power-ups you collect, the better your chances of winning the ultimate prize at the end. But remember, the journey will be arduous, and you'll need to use your coins and power-ups wisely to gain advantages at each station.

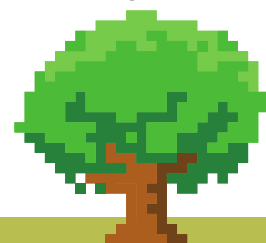

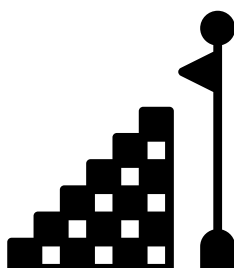

Now, gather around, patrol leaders! It's time to prepare your patrol for the adventure that lies ahead. Take a moment to discuss your strategy and plan your approach to tackling the challenges you'll face.

Remember, teamwork and communication are the keys to success for The Mario Challenge. Are you ready to brave The Mario Challenge, Scouts? Lets gear up and embrace the spirit of adventure that awaits us! Good luck and may the best patrol triumph!

REMEMBER: You will not win if you do not spend coins or use your power-ups. You will only win if you use them wisely.

**Register by August 29th and it's FREE!!!
Otherwise \$40 youth, \$10 Adults**
