STORY CHALLENGE

Scouts BSA and Venture Crew Fall Camporee September 18-20, 2026 at Parker Scout Reservation

Reach for the sky, Patrols and Crews! You are about to step into a classic adventure turned full-scale Scout wilderness mission.

The mission includes your patrol/crew embarking on an epic backyard expedition, following in the footsteps of Andy's most trusted toys on a high-stakes rescue run. Your patrol/crew will haul a custom "Toy Box" loaded with gear across a rugged outdoor gauntlet, navigating wild terrain to rescue Woody and Buzz before "moving day" runs out of time.

Along the expedition trail, your patrol/crew will encounter themed stations designed to test your Scouting knowledge, teamwork, and resourcefulness based on the characters in "Toy Story"

Master fire-building at Slinky Dog's Campfire, navigate hazardous water crossings at Al's Toy Barn, test your marksmanship at Bullseye's Target Range just to name a few.

Throughout the day you can earn, trade, and spend pizza slices at the Pizza Planet. Strategic spending gives your patrol/crew crucial gameplay advantages at difficult stations. Keep your eyes peeled on the trail. Sid and his unforeseen obstacles can cost your team hard-earned pizza slices if your scouts aren't vigilant.

Gather your group, map out your strategy, and keep your communication sharp. Hoarding your stash won't get you to the finish line—you cannot win if you sit on your pizza slices.

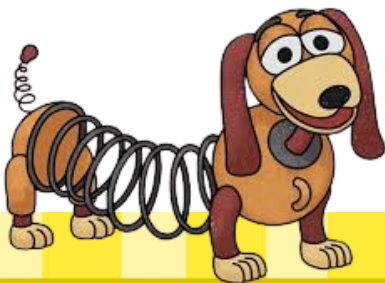

Victory belongs to the patrol/crew that invests their resources wisely to overcome the hardest stations.

Gear up, pack the Toy Box, and take your patrol to infinity and beyond!

May the best patrol/crew triumph!

**Register by Sept. 11th
and it's FREE!!!**

**Otherwise \$40 youth,
\$10 Adults**
