

# OPERATION ICICLE 2023

## CUB SCOUTS

**OPERATION ICICLE FOR CUB SCOUTS** is a fun winter weekend that Cub Scouts can participate in with their parent(s). The weekend will include two nights of camping in a cabin or lodge, plus the opportunity for Cub Scouts to learn communication, teamwork, advancements, make new friends, and of course to have fun! This year we are offering two weekends of Operation Icicle with different activities each weekend. Since Polar Camp happens on the same weekend, those who are attending Operation Icicle will be doing the same activities as those who signed up for Polar Camp for that day.
