

You may have heard talk regarding a big celebration for the Council 90th and GSC 30th.

**The official Birthday celebration will start at 1:15pm on Saturday September 27th.**

This celebration will occur during the Fall Camporee where over 250 scouts and scouters will be reliving some of the favorite Scouting activities over the years.

Please encourage your Scouts to come out for the celebration if they can't stay for the entire camporee. We would like to get a very high level participation at this celebration and will recognize troops at the campfire that have over 95% participation at the celebration.

***We are also welcoming family members of Scouts, Cub Scout Families, All Scouters in the community, and our community partners to be present for the celebration. We would ask that they pre-register so we can ensure we have enough cake for everyone.***

**Here are some highlights for the celebration on Saturday Sept 27th.**

1. We are looking for a large turnout for the celebration cake and picture where all present will group to form a big number 90 in the upper field by the parking lot and a picture will be taken to mark this historical moment. We would ask that you arrive no later than 1pm to take part in the celebration.
2. You are also welcome to walk around camp and observe the activities going on and even try your hand at some of them.
3. Participating in the Celebration is at no cost. Other options are
  - a. Come after 10am and join us for lunch – cost \$5.00
  - b. Come after 10am and join us for hog roast dinner – cost \$10.00
