

LEADER GUIDE

Dear unit leader, Welcome to the 2024 Winter Camp at Hood Scout Reservation. With the increasing popularity of Winter Camp, we want to ensure that we can serve every Scout and Scout Troop that wants to attend. However, we know we are limited to the number of Scouts, Adult Leaders, and Staff we can have on camp and deliver a quality program. We hope this Leader's Guide will be helpful to you and your troop in planning your camp experience. Each year, we strive to fulfill our commitment to offering an excellent camp program for Scouts. This unique camping opportunity takes place before the Thanksgiving holidays. Our merit badge programming is designed so that a Scout will work on a single merit badge per day. On October 1st, adult leaders will have the Winter Camp Merit Badge schedule with a class description of each merit badge emailed to them. The merit badge schedule will also be available online. To prepare for your 2024 Winter Camp experience, please begin now. This guide assists leadership in planning your unit's attendance at Hood Scout Reservation. If you have a question or cannot find answers, don't hesitate to contact the Andrew Jackson Council's Scout Service Center directly. Please thank our staff and merit badge counselors who make this program possible. A dedicated volunteer class serves as merit badge counselors, kitchen staff, camp administration, etc. This volunteer staff and their willingness to help others make this program possible. For over 20 years, Winter Camp has grown to be a legacy within the Andrew Jackson Council and across the Southeast. We hope your stay with us creates memories that will last a lifetime. We are excited to make Winter Camp 2024 one for all to remember! On behalf of the Andrew Jackson Council and the 2024 Winter Camp staff, we look forward to seeing you in November!

Yours In Scouting,

Leonard McDonald
Camp Director

UNIT LEADER INFORMATION

UNIT LEADER EXPECTATIONS

The camp staff and volunteers at Hood Scout Reservation want to ensure that your Scouts and adult leaders receive the promise of Scouting, which is fun and adventure. We can only do this if you communicate with the camp leadership. There will be times when you can speak daily with the camp director and key camp leaders. We also have an open-door policy where you can talk to any camp leadership about anything you need to share. We ask that you complete the camp surveys on paper and electronically. These opportunities make the Hood Scout Reservation Winter Camp Program better for you and other Scouts. We also ask the unit leaders to be **“ACTIVELY”** engaged and supervising their Scouts throughout the day and when their Scouts are at the central showers.

Please check your campsite guide for more information about the local wildlife around Hood Scout Reservation.

BUDDY SYSTEM

The BUDDY SYSTEM calls Scouts to pair up with a friend or two for all activities. It ensures safety and accountability and teaches Scouts to have responsibility for others. The buddy system is a vital part of Scouting's Barriers to Abuse. Follow these guidelines for using the Buddy System during winter camp. • *It's recommended that buddies know and be comfortable with each other. No youth should be forced into or uncomfortable by a buddy assignment. • It is strongly encouraged to pair Scouts of similar abilities, ages, and maturity. Buddy pairs should be no more than two years apart in age and should be single-gender. There are no boy-girl buddy pairs in any programs. • A buddy team may consist of three Scouts when necessary, like an odd number in a group.*

CAMPER SAFETY

Hood Scout Reservation wants to ensure that your Scouts and adult leaders are safe and have a great time at camp. If you have any questions or concerns about an individual Scout or adult leader's well-being, an adult leader or Scout should contact the camp director or a member of the camp management team. PROGRAM INFORMATION

MERIT BADGES AND OTHER PROGRAMS

Our camp staff and merit badge counselors are all volunteers committed to delivering a great program where Scouts have a good time during camp and provides the opportunity to advance. Winter Camp tentatively offers over 40 merit badges and other special programs for the 2024 schedule. The merit badge schedule for Winter Camp will be available on October 1st and will be available to download online in the Winter Camp Merit Badge Guide. During winter camp, Scouts can camp outdoors and work on merit badges and programs not generally offered at summer camp. Merit Badge sessions will be limited to twenty (20) Scouts. The session numbers could be lower depending on the Merit Badge Counselor and safety concerns. Scouts can complete many of the merit badges offered at Winter Camp; however, because of time constraints and requirements, special projects, or other considerations, some merit badges have prerequisites, require unique skill levels, or may need a Scout to complete the remaining requirements back home with a merit badge counselor. Weather is also a significant factor in how much can be accomplished during camp.

MERIT BADGE AND MERIT BADGE COUNSELORS

Below is a list of merit badges we plan to offer if we can locate qualified merit badge counselors. We should have a complete list of merit badges and times posted by October 1st, 2024.
