## **Welcome to Hood Scout Reservation**

### **General Camp Overview**

We invite you to discover why Hood Scout Reservation was named one of the top 8 summer camps in the country in the Scouting Magazine Guide To Cool Camps.

To have a successful experience and fun at camp, Scouts need to plan carefully. Many merit badges require preparation before or after your week at camp. It is the responsibility of the Camp Staff to instruct requirements that can be completed at camp. A completion or a partial with uncompleted requirements are given to Scoutmasters the last day of camp or are available online at [www.bsa-jackson.org](http://www.bsa-jackson.org). Every effort will be made to inform Scouts on their progress throughout the week. Leaders are encouraged to visit with camp staff.

Reservations for limited size sessions will be taken on a first come first serve basis. The Camp Staff will make every effort to resolve scheduling conflicts for the Scout to obtain their goal.

Most merit badges can be completed at camp, but due to time requirements, special projects, or other considerations; some merit badges require additional work at home before and or after camp. Some merit badges are age-restricted, require pre-requisites and or special skill levels.

Refer to the merit badge listing for these considerations.

Our dynamic programming includes the following and more:

Cowboy Shooting	Paddle Boarding	Sailing	Waterskiing	Motor Boating
ATV Riding	Trade Skills	Mountain Biking		Pistol

**Adult Leadership:** Unit Leaders should arrange for qualified leadership from your troop to accompany the Scouts to camp. Each Troop/ Crew must have two registered adult leaders that have completed Youth Protection Training and had the criminal background check. All adults must have a copy of their training card. At least two adults must be at camp always.

**Tobacco:** Our Scout Oath reminds us to keep ourselves physically strong. The use of tobacco products adversely affects our bodies and may cause cancer. The use of smoke, chewing tobacco, vaping, and electronic cigarettes are not permitted at Hood Scout Reservation.

**Alcohol & Drugs:** Possession or use of any alcoholic beverages, illegal drugs or the misuse of any prescribed drug is expressly prohibited. Groups or individuals found in violation of this will be asked to leave camp immediately and reported to the local authority.

**Arriving & Departing:** Safety is paramount at Hood! To this end, we ask that every parent or family member must check in at the Administration Building or Trading Post as directed. Scouts who are leaving camp early or for a day must have their parent or guardian along with the unit leader fill out a camper release form and check out at the Administration Building. If you are a unit leader leaving camp you must check out at the Administration Building and check back in. If you have any questions or concerns of an individual Scout's well-being, the unit leader should contact the camp director.

**Vehicles:** No Vehicles will be allowed past the service road gate. Only vehicles pulling troop equipment trailers into the campsite will be allowed in. Troops must drop their trailers and move the vehicles back to the parking lot. Troops that do not have a trailer, may have their gear transported to the campsite by their troop leader or camp vehicle.

**Cell Phones/Electronic Devices:** Scouts should not have a cell phone out in merit badge/program sessions. If you're Scouts want to bring their electronic devices they are more than welcome. They will be able to charge them at the Trading Post.

**Armbands:** As part of the youth protection and camp identification policies, all Scouts and Scouters must wear an armband at all times. If your armband is lost you may replace at the trading post or Admin Building.

**Handicapped Accessibility:** Most facilities and a special campsite have been designed or modified for the handicapped. The Scoutmaster should alert the Camp Director when a troop may need special assistance with handicapped access.

### **Health, Insurance, and Emergency Procedures**

Before coming to camp, each youth and adult is required to have the appropriate Boy Scout Annual Health and Medical Form filled out and signed by a parent or guardian and an appropriate medical provider. The BSA Health and Medical Record has to be less than one-year old as of the date Camp begins. Health forms older than one year cannot be accepted. We must have health forms on all youth and adults even if they are only staying one night. We must have all three parts filled out. You may bring digital copies on a flash drive.

**Unit Leaders:** Please make sure that all physicals forms are filled out properly! Unit Leaders please make sure if you bring hard copies of health forms that you pick them up before you leave camp. Any health forms left will be disposed of on the last day of camp.

**NO ONE WILL BE PERMITTED TO STAY ON CAMP WITHOUT A HEALTH FORM ON FILE WITH THE HEALTH OFFICER.**

**Special Dietary Needs:** Any Scout or leader that has special dietary need please contact the Andrew Jackson Council Office to talk with the Camp Director at **least two weeks** before that Scout's arrival on camp so that we can properly plan for their dietary needs.

**Special Health Requirements & Medications:** Scouts requiring special medical treatments such as insulin, etc. should provide necessary medications and make written arrangements with the health officer and the unit leader.

**Transportation for Medical Services:** Scouts needing to be transported to the hospital or to a local doctor for non-emergency medical needs are to be transported by the unit leader. In case of serious medical emergencies, transportation will be available.

**Accident Insurance:** The Andrew Jackson Council provides accident and illness insurance for each local registered camper who must be registered with BSA. This coverage protects each member while attending Camp. Claim request forms can be obtained from Andrew Jackson Council, 855 Riverside Drive, Jackson, MS, 39202. **Out of council troops must provide proof of insurance from their council or unit.**

**Emergency Procedures:** During any kind of emergency (weather, fire, lost camper, or lost swimmer) you will hear the continuous ring of the camp bell and you will receive information from the camp staff. You are to go as quickly as possible to the parade field. Scouts and Scouters will then receive further directions and instructions.

**Medical Services at Camp:** The Health Lodge is open 24 hours a day and is prepared to handle minor injuries and illnesses. Any emergency that cannot be treated by the Health Officer will be referred to a local hospital or clinic in Hazlehurst. If necessary, the unit leader or assistant will transport the patient to the outside medical facility. Copiah County Medical Center is the closest hospital to Hood Scout Reservation.

### **Living and Activities in Camp**

If you require any special dietary needs, please let us know at least two weeks before your unit comes to camp. Meals are posted at Cafeteria and main bulletin board. Shirt, Socks and Shoes are required at each meal. Full "Class A" uniform is required for the evening meal. Wet swimsuits, wearing of hats and chewing gum are not allowed in the cafeteria. Troops are encouraged to make sure that every Scout has a chance to serve as a table waiter for the week.
3. Starting on Day 2 of camp, troops are encouraged to invite a staff member to join them for a meal.

## **Duty to God Program**

In coordination with the Boy Scouts of America's commitment to "Duty to God", our council is notifying you of a program that we have implemented for this summer that requires the involvement of a youth Chaplain Aide from your troop. If the scout that is normally in that leadership position in your troop is not present this week, please appoint a Chaplain Aide today. There will be a very short meeting of all troop Chaplain Aides on the front porch of the dining hall immediately following Sunday night dinner. Please have a youth representative at that meeting.

We have an adult "Chaplain Coordinator" on site during this week of camp, and they is going to provide a devotional booklet (the same one that is used at Philmont) to each Chaplain Aide. This youth's responsibility this week is to conduct one devotion per day for your entire troop. You and your Chaplain Aide can pick the time that best fits your troop schedule. You will note that this devotion book is specifically set up for "Inter-Faith" worship and is non-denominational. If

your troop completes the daily devotions and attends at least one vespers service, every Scout in the troop will receive a HSR Duty to God Patch. Your Chaplain's Aide will receive a special recognition for serving his troop for the week.

### Merit Badges, High Adventures, and Other Programs

Hood Scout Reservation offers a wide selection of merit badges and programs. Most merit badges can be completed at camp, but due to time requirements, special projects, or other considerations; some merit badges need additional work at home. Some merit badges require pre-requisites or special skill levels. Please refer to the merit badge and program listing for all program specific pre-requisites and requirements.

Please remember that class sizes are limited in some merit badges. To ensure that your Scout gets into merit badges or programs that he wants please make sure that you have that information when you register online. Merit Badge Pamphlets can be purchased at the Scout Shop. **Be aware of Age Appropriate Programs.** Remember to consider distances between Merit Badge programs. Please be aware of the class size for each merit badge and its location on camp. Please don't have your Scouts walking from the waterfront to the shooting sports area to make their next class during a 10-minute transition time.

### Waterfront at Hood Scout Reservation

The waterfront is ideal for Scouts who are interested in aquatics and water activities. The 110-acre lake will easily accommodate all campers and make for an outstanding combination of fun and safe water activities for advancement.
