TI'AK LODGE 404

For more than 115 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long-term resident camping, and providing cheerful service to others. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich and help to extend Scouting to America's youth.

The Ti'ak lodge provides service to our local camp, Camp Tiak, by helping with camp improvement projects, conservation projects, Summer Camp Staff, providing help with Cub Scout Family Camping Weekends, and service to our local communities.

LODGE HISTORY

Our lodge was chartered in 1948, and our first ordeal was held December 4, 1948 with some 64 Scouts and Scouters in attendance at then council camp, Camp Towanda. During that weekend, the Ordeal Candidates were installed by an induction team from Sebooney Okasucca Lodge from the Andrew Jackson Council. Throughout the years we have had many Chapters within the lodge, but currently there are 6: Ayupka (Chickasawhay District), Hommi Hishi (Tall Pine District), Ittibapishili (Spanish Trail District), Machkeu Wiechcheu (Poplarville area of Tall Pine District), Wulelensin-Achtu (Picayune area of Tall Pine District), and Woapalanne (Singing River District). These chapters form Ti'ak Lodge which provides service to Camp Ti'ak, the districts that they belong to, their units, and many council wide events.

Our lodge totem is the Pine Burr or pinecone. It represents long leaf pine trees of the southern Mississippi Pine Belt where we reside. Our Lodge name also is a source of area pride as our name Ti'ak (pronounced tee-ock) means "Tall Pine" in the Choctaw language.
