

Winter Camp 2024; Merit Badge FAQ

- **Is the Camp providing physical Blue Cards?** No, all merit badge information is available through Black Pug, the software you used to register for camp.
- **Can I get blue cards instead?** You can use the Black Pug software to print blue cards either on plain paper or on actual blue card stock. We are not able to print that for you.
- **When will the Merit Badge Class information be ready to print or download?** Mrs. Bridget will have it ready by the end of the week. The person who registered your troop will receive an email when it is ready to be downloaded.
- **I logged into my Black Pug account and I can't see the reports?** This usually indicates that you have an unpaid balance on your account. If your Scout adjusted their schedule, they may have selected a class which had a fee. Please check with Tabitha.
- **How do I make the Merit Badge class information show up in Scoutbook?** Mrs. Bridget will be sending you instructions for how to download your advancement from Black Pug and how to upload it into Scoutbook.
- **Some of these Merit Badges look completed but aren't marked as Completed. Why not?** The instructor indicates on their roster which requirements the Scout does in class. Mrs. Bridget inputs the information given to her from the instructor into Black Pug. If the instructor marks the entire Merit Badge as completed, Mrs. Bridget marks it as completed in Black Pug. If the instructor does not indicate the overall status of the merit badge, then Mrs. Bridget does not know if it is a Partial. Therefore, she leaves it up to the leader to determine if the Scout has done all the necessary requirements. If you are using Scoutbook, the program will recognize if all the necessary items were completed and will automatically mark it as Complete.
- **What do I do if I have a question about our class information?** Feel free to contact the Scout office or Bridget Reeves at Bridget.Reeves5@gmail.com
