## **Who may attend?**

For Lions, Tigers, Wolves, Bears, and Webelos, and AOLs – Scouts do not stay overnight.

BSA guidelines state that each Lion and Tiger Cub must have an adult partner with them at camp.

All Scouts must have a completed Health and Medical Form, parts A and B, prior to day camp. Copies of these must be handed in at check-in. They will be returned to your unit leader at the close of camp on Saturday.

Adult leadership is critical to having a great camp experience. The Pack must provide leadership and adult supervision for their Cub Scouts who attend Day Camp, plus provide transportation to and from the camp. Just like all Scouting activities, two deep leadership, must be followed and [Youth Protection Training](#) completed for all adults. This requires **two** registered adult leaders 21 years of age or over. Everyone must complete parts A and B of the [Annual Health and Medical Record](#).

## **Refund Policy**

Refunds are awarded on a case-by-case basis. You may request a refund by contacting the council office at 417-883-1636.

## **The Buddy System**

We use the Buddy System at Day Camp. No Scout is allowed to go anywhere without another Scout (buddy.) Please remember that *buddies must be of the same gender* unless the buddy is a parent/guardian. Please review the buddy system with your Scouts and all Walking Leaders before coming to Day Camp. This will help keep your groups together and our camp safe.
