

# Mo-Kan District Pinewood Derby presents

# Outlaw Derby

- ? Ever wanted to create a pinewood derby car but never had the opportunity?
- ? Are you a younger sibling who watched your older siblings create derby cars and wanted to create one too?
- ? Ever dreamed about creating a *totally tricked out* pinewood derby car *after* you were out of cub scouts?
- ? Parents...do you want to create your *own* derby car while your cub scout creates theirs?
- ? Not a scout but wanna show the scouts how to create a *real* pinewood derby car?
- ? Do you want to experiment and add some *scientific flair* to the competition?

You have come to the right competition! The OFFICIAL Pinewood Derby competition for Boy Scouts of America follows many specific rules and regulations, but after the official races are over... it's time for the

**OUTLAW DERBY** to take over!

## RULES:

- ✓ \$10 entry fee per car
- ✓ car width must be no wider than 2.75 in.
- ✓ width between the wheels is 1.75 in.
- ✓ car length must be no longer than 7 in.
- ✓ car height can be no higher than 5 in.
- ✓ weight must not exceed 6.0 ounces

There are no restrictions for materials, axels, etc.
