What is University of Scouting? University of Scouting is a hands-on learning experience that provides a wide range of training opportunities, shared experiences, and knowledge suitable for the best of our Scout leadership. Our sessions cover traditional topics that supplement and expand upon the basic Cub and Scouting America training programs. We offer the non-traditional and often unexpected subjects taught by Scouters with specialized skills and knowledge. Explore the courses we have to offer and take this unique opportunity to broaden your skills. We provide a full day of training and a far greater chance to network than may be available within your home units and districts.

The 2025 University of Scouting event provides course offerings in three colleges. Two colleges are devoted to the major Scouting programs – Cub Scouts and Scouting America. The General Studies College offers classes of interest to Scouters across all programs.

We want to welcome all adults registered with Scouting America to take advantage of this training opportunity. Participation is not dependent on holding a scouting position. New parents, grandparents, volunteers, and anyone who is new to the program is welcome to attend. Join us for the whole day or a half day, whatever works best with your schedule.

****It is requested that you wear your scouting Field Uniform if you have one. Those who are new to the program who do not have a uniform are welcome to wear business casual attire appropriate for the weather.****

What is the Tuition or Fee? Cost is \$30.00 early bird registration fee on or before Thursday, September 18, 2025 and \$35.00 after September 18, 2025.

****Please register in advance to ensure enough supplies are available for each class.**

*****Pre-Registration closes on September 18, 11:59 PM. Walk ins will be welcome on a first come, first served basis*****

*****Lunch is included*****

On behalf of the Ozark Trails Council Training Committee, the chancellor of the college, and the entire event committee, I encourage you to join us for this training adventure. We'll see you on October 18th--bring friends along to share in the fun!!

University of Scouting will also offer an opportunity to meet your new Scout Executive and your District Executives. Feel free to introduce yourself.
