# Welcome Message

Welcome to Webelos Woods: Legends of Arrowhead

CUB

Dear Parents and Leaders,

Thank you for registering for Webelos Woods! The Ozark Trails Council team, in partnership with Tribe of Lone Bear, is excited to present Legends of Arrowhead, a weekend filled with adventure, learning, and fun. This program is open to all Webelos and Arrow of Light Scouts (4th and 5th graders), their parents, and den leadership. Scouts may attend with their den or individually with a parent.

The goal of Webelos Woods is to engage older Cub Scouts in an outdoor adventure that prepares them to transition into a Scout Troop. This year's theme, Legends of Arrowhead, will immerse Scouts in the lore and skills of the outdoors while fostering teamwork and leadership through storytelling.

This specialized program provides Scouts, den leaders, and parents with resources to complete requirements for Webelos/AOL adventure badges in an outdoor setting. Each badge will be taught by experienced leaders, and specialty programs will enhance the Scouts' experience with new skills and fun activities.

Please review the FAQs and schedule below to prepare for this exciting event!
