- You will be doing A LOT of walking. If you have a health problem, PLEASE let us know.
- DO NOT KEEP “ANY” FOOD IN YOUR TENT AT NIGHT unless you want “critters” in your tent with you!! Keep food or snacks inside your vehicle or trailer before you go to bed – the same goes for garbage. (Note: Candy is Food!) Please bring bags of garbage to the dining area, before leaving on Sunday.

PARENT-N-PAL NOTES

- Parent-N-Pal is a 24-hour program. (Saturday to Sunday morning) It is the perfect introductory camping program for “new” or inexperienced campers. All you to do is show up.
- Parent-N-Pal is a “complete package.” In order to reap all the benefits that our program provides, it is recommended that you do not leave until Sunday morning.
- Cub Scouts should attend Parent-N-Pal as a pack, den, or individual family, but it should be a one-on-one with your own son/daughter, for the best camping experience. Moms or dads or both may attend. Other family relatives – grandparents, etc. are also welcome. Siblings and/or other family members may attend. (Note: If there are two Scouts in your family, it is okay to attend with one parent. And, both parents may attend with their Scout(s).
- Note: If you absolutely must bring another child with you whose parent cannot attend, you may do so provided that you have completed the Safeguarding Youth Training. It is not recommended, but it is allowed. You must have a note from a parent or guardian that allows for them to be in your care and transport to/from camp. All those that stay at the event must have a Health form part A and B regardless of Age. Please review the Guide to Safe Scouting.
- The program is open to all registered Lion, Tiger, Wolf, Bear, Webelos and AOL Scouts. Scouting is an age-appropriate program with guidelines that have been developed based on the

mental, physical, emotional, and social maturity of youth members. Parent-N-Pal is meant to be a “basic” camping program.
