

# 2025 Webelos Weekend

## Leader's Guide

**Camp Geiger, Pony Express Council**  
**July 9th-12th, 2025**

Dear Leaders & Parents,

Welcome to Webelos Weekend at Camp Geiger! We are truly excited for Webelos Weekend this year with many fun-packed opportunities for both the leaders and the Scouts! Our goal for this camp is not only to have a fun time while learning scout skills and completing adventures but also to help you get used to Camp Geiger and its operations during Scouts BSA Resident Camp. Unlike Cub Scout Adventure Camp, this camp is geared more towards the Scouts taking their own classes and getting used to Camp Geiger operations.

Now that you as well as your pack is registered, get ready to enjoy a great time at Camp Geiger. Our staff has worked hard to make sure that you and your packs have the experience of your life while you are at Webelos Weekend 2025.

Please take the time to read through this leader's guide. It spells out what you need to do while planning for your pack's great stay at camp and what you and your Webelos can expect once you arrive at camp. Make sure that every leader or parent that will be attending camp has had the opportunity to read this leader's guide. This leader's guide is also available on the website at [www.ponyexpressbsa.org](http://www.ponyexpressbsa.org)

Each pack will have an assigned campsite where they will have assigned platform tents. Cots are not provided by the camp for the tents so please plan accordingly. Scouts will get a chance to spend time in larger groups as well as have some quality time with their friends in their packs. Meals will be served family-style in the dining hall, just like the Scouts at summer camp. Cubs are encouraged to work together to share campsite and dining hall duties.

Packs throughout the weekend will engage in a number of Time Travel themed challenges that will challenge their scouting skills and knowledge. We also encourage each pack to come up with a skit to perform at the campfire on Friday evening.

If there are any questions that you may have about our program or about the operation of Webelos Weekend, please do not hesitate to email me at [peccubcamping@gmail.com](mailto:peccubcamping@gmail.com) or contact the council office at 816-233-1351. We look forward to a fun-filled stay with you and your pack this summer at Camp Geiger!

Yours in Scouting,

The Pony Express Council Cub Scout Camping Team

## **Check-in & Check-Out Procedures**

When you arrive at Camp Geiger for Webelos Weekend this year the check-in procedures will be very similar to the past years. We have created this check-in process to make it more

user friendly for our campers and leaders, as well as make the transition between Cub Camping and Scouting America Summer camp easier. To make your check-in experience run smoother please plan on everyone from your pack to arrive at the same time to avoid delaying your check-in process.

**Check in starts at 1pm**; please do not arrive at camp before 1pm, as the staff will not be prepared for your pack.

### **BEFORE CAMP:**

The check-in process actually starts at the virtual pre-camp leaders meeting held the Monday before the camp (June 30<sup>th</sup>). At this meeting the Director team will cover very important information for the upcoming camp as well as confirm numbers to make campsite assignments, and leaders guide packets. Trading Post hours will be announced at the leader's meeting. Each pack needs to have at least 1 representative at this meeting.

### **Checking in the Day of the Event:**

Upon arrival at camp we ask a few simple things that will help make your check in process easier. \*Please have your scouts arrive in their swim trunks, as they will go through swim checks before going to their campsites.\*

1. When arriving at camp, go directly to the main parking lot, to help with traffic flow.
2. Leaders and scouts should go directly to the Octagonal Pavilion to meet up with their staff host, this host will take the boys through the check-in process (There is a member assigned just to your pack)
  - a. NOTE: PLEASE DO NOT GO THROUGH CHECK-IN WITHOUT YOUR STAFF GUIDE
  - b. You will receive your campsite assignment during the check-in process from a member of the commissioner staff.
  - c. Please make sure each boy has a copy of their physical form and medications with them before starting your check-in process
3. The host will take your unit through the check-in process in handicraft corral as well as to the pool for swim check and your campsite. Enjoy your tour of Camp along the way!
4. Once you get your campsite assignment consolidate all of your packs camping gear to as few vehicles as possible
  - a. These vehicles will be able to go into the campsite to drop off the gear
  - b. Only 2 vehicles per campsite, you will receive the campsite pass from a staff member by the road into your campsite
  - c. Please move your vehicle from the campsite after it is unloaded

\*\*To ensure a minimal wait time, and smooth process please make sure everyone from your unit arrives at approximately the same time to Camp Geiger!\*\*

### **Checking out of camp:**

1. ONLY 2 VEHICLES PER CAMPSITE
2. Make sure you move all items out of your campsite when loading
3. Tie your tent flaps in bow knots

You are in charge of your pack at all times and responsible for the discipline and organization of your pack. It is never the camp staff's task to take over your role as leader of your unit.

All Campers are required to stay clear of any fire areas. Leaders are instructed to assemble their Scouts in a safe area and take a roll call. No liquid fuel may be left in the campsite. No fires or flames are allowed in tents or campsites. YOU MUST NOTIFY THE CAMP DIRECTOR AND CAMP RANGER IF YOU HAVE PROPANE IN YOUR CAMPSITE.
