Dear Leaders and Parents,

Welcome to Webelos Weekend 2026: Camp Geiger Survivor! Get ready for an action-packed camping program where Webelos Scouts will test their skills, build confidence, and experience camp like never before. This year's theme brings adventure, teamwork, and problem-solving together for a weekend your Scouts won't forget.

Webelos Weekend is designed to be both fun and purposeful. Scouts will work on adventures, practice key Scouting skills, and—most importantly—begin learning how Camp Geiger operates during Scouts BSA Resident Camp. Unlike Cub Scout Adventure Camp, this experience encourages Scouts to take more ownership of their schedules, attend classes independently, and get comfortable with the rhythms of a Scouts BSA camp.

Now that your pack is registered, the countdown begins! Our staff has been working hard to create exciting Survivor-style challenges that will push Scouts to think, collaborate, and lead. From problem-solving tasks to skill-based competitions, packs will face challenges that reward teamwork, effort, and Scout spirit.

Each pack will be assigned a campsite with platform tents. Please note that cots are not provided, so plan accordingly. Throughout the weekend, Scouts will rotate through activities with larger groups while still spending quality time with their pack. Meals will be served family-style in the dining hall, just like our Scouts BSA camp, and Scouts are encouraged to share responsibilities in both the campsite and dining hall.

Packs will take part in a series of Camp Geiger Survivor challenges throughout the camp, all leading up to an exciting camp-wide experience. We also encourage every pack to bring a skit for the Thursday night campfire, where creativity, humor, and Scout spirit shine.

Please be sure to review this Leader's Guide carefully, as it includes essential planning information and details about what to expect at camp. We ask that all leaders and parents attending read the guide in advance. It is also available online at www.ponyexpressbsa.org.

If you have any questions about the program or camp operations, please contact us at peccubcamping@gmail.com or reach the Pony Express Council office at 816-233-1351.

Sharpen your skills, pack your gear, and get ready to outwit, outplay, and outlast at Webelos Weekend 2026. We can't wait to welcome you to Camp Geiger!

Yours in Scouting,
The Pony Express Council Cub Scout Camping Team

Check-in & Check-Out Procedures

When you arrive at Camp Geiger for Webelos Weekend this year the check-in procedures will be very similar to the past years. We have created this check-in process to make it more

user friendly for our campers and leaders, as well as make the transition between Cub Camping and Scouting America Summer camp easier. To make your check-in experience run smoother please plan on everyone from your pack to arrive at the same time to avoid delaying your check-in process.

Check in starts at 1pm; please do not arrive at camp before 1pm, as the staff will not be prepared for your pack.

BEFORE CAMP:

The check-in process actually starts at the virtual pre-camp leaders meeting held the Monday before the camp (June 29th). At this meeting the Director team will cover very important information for the upcoming camp as well as confirm numbers to make campsite assignments, and leaders guide packets. Trading Post hours will be announced at the leader's meeting. Each pack needs to have at least 1 representative at this meeting.

Checking in the Day of the Event:

Upon arrival at camp we ask a few simple things that will help make your check in process easier. *Please have your scouts arrive in their swim trunks, as they will go through swim checks before going to their campsites. *

1. When arriving at camp, go directly to the main parking lot, to help with traffic flow.
2. Leaders and scouts should go directly to the Paden Pavilion (Octagon shaped next to the main parking lot) to meet up with their staff host, this host will take the boys through the check-in process (There is a member assigned just to your pack)
 - a. **NOTE: PLEASE DO NOT GO THROUGH CHECK-IN WITHOUT YOUR STAFF GUIDE**
 - b. You will receive your campsite assignment during the check-in process from a member of the commissioner staff.
 - c. Please make sure each Scout has a copy of their physical form and medications with them before starting your check-in process
3. The host will take your unit through the check-in process in handicraft corral as well as to the pool for swim check and your campsite. Enjoy your tour of Camp along the way!
4. Once you get your campsite assignment consolidate all of your packs camping gear to as few vehicles as possible
 - a. These vehicles will be able to go into the campsite to drop off the gear
 - b. Only 2 vehicles per campsite, you will receive the campsite pass from a staff member by the road into your campsite
 - c. Please move your vehicle from the campsite after it is unloaded

To ensure a minimal wait time, and smooth process please make sure everyone from your unit arrives at approximately the same time to Camp Geiger!

Checking out of camp:

1. ONLY 2 VEHICLES PER CAMPSITE
2. Make sure you move all items out of your campsite when loading
3. Tie your tent flaps in bow knots
