

A Council Event for Units & Scouting Families See Also...Pine Ridge's Eclipse Fest 2.0

Dates: Friday, April 5th @ 6pm to Monday, April 8th @ 2pm, 2024 You Read that Right...The Eclipse is Monday Afternoon

# **Program Guide**

Draft Updated on 3/13/24

You do not have to be in the Greater St. Louis Area Council to join us for this event.

Note from Event Chair:

This event has been on my calendar since the 2017 eclipse that went through St. Louis. Over the last two years I have been working with a small group of volunteers to structure this event to be a mountain top experience for the youth that attend.

The last few months have thrown curveball after curveball at this event. And now I am asking for help from those of you looking at this packet.

We have had several of our key organizers who have had life changes and conflicts come up for this weekend. WE WILL BE HAVING THIS EVENT...AND IT IS GOING TO BE EPIC!

But that can only happen with the help of the adults attending this event, and older Scouts willing to pitch in. Here's a list of all the small roles we need to fill: <a href="https://docs.google.com/spreadsheets/">https://docs.google.com/spreadsheets/</a> d/1RdTr0q9MQTCe6wnm4WfA0r4XE8SZZUzF7Zj8alK6F0l/edit?usp=sharing

Most of the roles are Station Help. We've divided things into three levels of help.

<u>Extra Set of Hands:</u> This station has a leader that will have all the supplies for the station. They are looking for help setting up, and an extra set of hands while the Scouts are there.

<u>Station Leader:</u> This station will have all the supplies ready for you in the dining hall. Come get them and run the program for this station.

<u>I've Got This:</u> For our veteran Scouters that love running program, and have the garage full of supplies to prove it. We've given you the station's concept, but you are gathering supplies, and putting everything together, and staffing the station.

Scouting has always been a place where we pitch in together to make great experiences happen. I'm asking that your unit helps fill these roles by choosing a couple of stations to work. If we all pitch in, this will be a weekend where they can have fun, earn a NOVA, and merit badge or adventure, compete in Amazing Race, and watch the last Solar Eclipse that will cross America for the next couple of decades.

Join us. Have fun and lend a helping hand.

Amanda Vogt Event Chair

### BRAND NEW ACTIVITY CONCEPT:

#### NEED SEVERAL STAFF TO ADD THIS TO THE SCHEDULE

NASA just released a tabletop role-playing game adventure that is easily adaptable for your preferred tabletop role-playing game system. We'd love to offer it on Saturday night and/or Sunday night. If you are willing to lead this program (or assist with it), we'd love to announce we are adding the program.

Let us know at venturingpresident@yahoo.com.

Welcome to the Program Guide for the Eclipse Fest @ S-F Scout Ranch. There is also an event happening at Pine Ridge Scout Camp and Camp Lewallen the weekend of April 5th-8th, 2024.

We welcome anyone to this <u>Council Scouting Event</u>. We wanted to take a moment and clarify a few items before you look at the exciting adventure awaiting you at this event.

**In Council vs Out of Council:** Any registered Scout, unit, and Scouting family is welcome to join us at this event. There is no cost difference for out of council groups.

#### **Participants:**

- Youth:
  - Cub Scout aged youth (elementary school) are welcome to bring siblings (of Cub Scouting age) without those siblings being registered in the BSA.
  - Scouts BSA, Venturing, Sea Scouting, and Exploring aged youth (middle school, high school, and college) must be either registered in the BSA or a prospective member of the BSA (thinking about joining).
  - For simplicity sake, we are considering anyone a youth for programming until they turn 21. YPT rules all still apply.
- Adults: Following national's rules...
  - Registered Leaders: You are welcome on the property at any time day/night.
  - Cub Parents: You are welcome on the property at any time day/night as long as your own kid is at the event.
  - Parents of Other Programs: You are welcome on the property during the day time. If you are NOT a registered BSA Leader, you will need to leave property after evening program. There are multiple state parks and hotels in the area.

#### **Camping Spaces:**

- Our event is designated as a Council level event, allowing Cub Scouts to camp three nights as they
  would at a Council Family Camp.
- With the size of our camp property, and after council's review, we will be designating campsites to group the Cub units into one area of the camporee field and campsites inside Famous Eagle.
- We know there are some packs that are not set-up with the camping and cooking gear they need to support this long of a weekend program. Those units are welcome to be hosted by their Scouts BSA Troop, Venturing Crew, or Sea Scout Ship.
  - Those groups will be designated areas between where "just packs" and "just older units" are camping.
  - We ask that within your own "campsite space" all non-registered Cub Scout Parents are camping to one side of that space and the older youth are at the other side of that space.

#### **Program Spaces:**

- All events will have a sign specifying which program levels may do the activity during open program time such as evening programs.
- Saturday AM: Cub Scouts have a separate space working on Belt Loops.
- Saturday PM: Cub Scouts will be at the same stations as older Scouts, but with age appropriate programming at those stations.
- Sunday AM: Cub Scouts have a separate space working on STEM Activities.
- Sunday PM: Cub Scouts have a shooting sports area, and their own Amazing Race competition.
- Monday: The entire property switches to program designed for families and units to do together.

## **Table of Contents**

As additional activity stations are finalized, this Program Manual will continue to grow. If your unit would like to help with a new idea for an activity station, contact Amanda Vogt at venturingpresident@yahoo.com, subject line: Help with Solar Eclipse.

The date on the front cover will always reflect when we last added additional programs and details. Items new to that draft will be highlighted in green text to easily spot the changes. The final Program Manual will be released on March 25th.

## Registration

## **Step 1: Blackpug Registration for the Event**

As you are gathering information from your unit on who wants to attend, here are some details to gather for registering everyone:

- Rank (needed for wristbands and class information)
- Email Address (youth or parent's)
- Which category below to register them for
- Note: Adult Leadership MUST show Health Form Parts A&B for everyone on property on arrival.

Level Name	Ages/Program	Description
Weekend- Adults (21+): \$25	Adults (21+).	Weekend Participant camping/meals with unit. If you are a non-registered parent you are only allowed on BSA property during the day, unless you are a parent of a Cub Scout attending the event.
Weekend- Provisional Unit: \$50	Registered in Scouts BSA or Senior Scouting Unit. Ages 14-20. AND Adults.	Only available for Scouts BSA & Senior Scouting units with less than four youth in attendance who cannot provide needed adult leadership. Weekend Participant camping with Provisional Unit formed from Crew 2783 & Crew 627. Quartermaster Food.
Weekend- Youth: \$25	Cubs through Senior Scouting Programs.	Weekend Participant camping/meals with unit. The will be a question for each youth on their rank. That allows us to get them the correct wristband for age level programs. All Kindergartners MUST have a parent walking around with them at event.
Day Only- Adults: \$10	Adults (21+)	Day Only Participant on Monday. NOT camping. Meals with unit or personal responsibility.
Day Only- Youth: \$10	Cubs through Senior Scouting Programs.	Day Only Participant on Monday. NOT camping. Meals with unit or personal responsibility. Must have Unit or Parental Supervision.
Staff: \$35		Staffing the majority of the weekend, and camping/ eating as staff.

Special Note: All Registrations up to March 20th come with a pair of solar eclipse glasses and an event patch. After that date, glasses/patch are not guaranteed.

## Step 2: Google Form- Campsite Request

This form is only completed once per unit. It will ask which camp area you would like to camp in, and then ask for a campsite preference. There is a "no preference" option. The last question is for units that know they will have unregistered Cub Scout parents with them as we have to mark those campsites differently.

We will email each unit with their campsite information on March 31st. https://forms.gle/5EpyNtraWQCxgbHbA

## **Registration Categories**

### **Step 3: Google Form- Adult Opportunities**

The following is a list of activities that participants can walk-up and enjoy (no pre-signup required). We have listed them by Program Block, then Location, then Wristband Color.

**Program Block:** What day and time it is offered.

Location: Camporee Field, Famous Eagle, Swift, or Backcountry.

**Wristband Color:** To easily identify what age levels may participate in an activity station we designed the age levels in rainbow color order. If your age level comes earlier in the rainbow than the color listed, you may also participate in that activity. At the event itself, the station signs will list all colors who may participate on the bottom of the sign.

Red: Lions and Siblings of Kindergarten Age (must be accompanied by a parent/guardian)

Orange: Tigers to Bears and Siblings of 1st to 3rd Grade Ages

Yellow: Webelos & AOL Scouts and Siblings of 4th & 5th Grade Ages

Blue: Scouts BSA (14-20)
Purple: Senior Scouting

Special Note: Any Shooting Sports Activities require both the Waiver on page \_ and attendance at the 12:30pm Safety Briefing on Saturday at Famous Eagle Leadership Hall.

Note: Still finalizing. Will email the waiver and description to all units.

## Friday: 7:00 PM

## Solar Eclipse Presentation by the St. Louis Astronomical Society.

Red. Join us in the Leadership Hall (Dining Hall), for a presentation on everything eclipse. This same presentation will be given on Saturday evening as well.

### Friday Evening-Leaders' Meetings: 8:00 PM & 10:00 PM

Famous Eagle Leadership Hall & Swift Lodge

All SPL/Leaders Meetings will feature information about all activities happening on S-F property for the weekend. We ask that each unit chooses one meeting to go to at the beginning of the weekend.

## Friday Evening: 9:00 PM - 11:00 PM

## Famous Eagle

- **Space Ship Fly-In.** Red. Join us by the flagpoles as we build spaceships and watch the movie Walle. We will provide the cardboard. <u>Participants should bring duct tape/packing tape, scissors, markers, etc.</u> to build and decorate their spaceship. At the end of the movie, prizes will be awarded for the best designed spaceship. (See Competition Guide)
- Honey, I Shrunk the Kids! Games. Red. Join us by the large Chess Set where games have grown giant. Participate in Twister, Connect Four, Bowling, Jenga, and more.
- Mos Eisley Casino. Green. Join us in Leadership Hall for a night of card games. Each participant will receive a buy-in of Scout Bucks for the games when they arrive. At 10:15pm, we will have an auction of

- prizes to bid on.
- **Night Hike.** Red. This is a non-staffed event. We encourage your unit to bring water, flashlights, etc. and go on a night hike around Famous Eagle.
- **Star Party.** Red. Join us at the Scout Lodge end of the Camporee Field, where the red lights are, for our Star Party. Bring a chair/blanket and binoculars.

### Saturday Morning Flags & Announcements: 8:00 AM - 8:15 AM

Famous Eagle Flag Poles & Swift Flag Poles

All units are asked to have at least two people from their unit at one of the flags & announcements each morning. The entire unit is encouraged to attend. Each location will be sharing the same information.

### Saturday Morning: 8:30 AM - 11:00 AM

This is Merit Badge & Cub Adventure Time as pre-registered activities (page 12-14) Camporee Field: STEM Activity Stations.

- STEM: Balloon Sled. Red. Build an air propelled sled with popsicle sticks, tape, and a balloon.
- **STEM: Planet Rotation.** Red. Learn about revolutions, orbits, and rotations of planets. And check out some cool planetary math.
- Robots, Red.

## Saturday Afternoon: 1:00 PM - 4:00 PM

Each of the skills stations will have a presenter giving a 15 minute overview every 20 minutes. Stations are walk-up, and you are welcome to spend as much time practicing the skill as you would like to spend. There is no formal rotation plan, and you may choose to skip stations. Each station will have a Cub Scout Sign with your portion of these skills. Skills reviewed at these stations will help you in the Amazing Race competition on Sunday afternoon.

## Camporee Field
